

## Butler Area School District 403(b) Plan Universal Availability Notice

---

To: All Employees of Butler Area School District

In compliance with the requirements of IRC §403(b)(12)(A)(ii) this Notice will advise you of the voluntary 403(b) program established and maintained for the benefit of our employees. The following information provides details of the Plan and outlines the procedures for enrollment.

### Eligibility

All employees who are employed by the Employer are eligible to participate in the plan.

### Contributions

When you enroll in the program, the amounts you designate as salary deferrals are withheld from your wages and forwarded to an investment provider of your choice. Contributions may be changed, started or stopped at any time. Several types of contributions are available in your Plan:

**Pre-Tax Salary Deferrals.** These are amounts contributed into a 403(b) plan that are deferred from your paycheck before federal income taxes are applied. State income taxes may or may not be applicable.

- For **2023**, you may defer from your wages, a maximum of \$22,500 to all 403(b) and 401(k) plans unless you will reach 50 years of age during the year. In that case, you would be eligible to contribute an additional \$7,500. Deferrals may not exceed 100% of your wages.

**Employer Contributions.** The Plan also allows your Employer to make contributions to the Plan on your behalf.

**Rollovers.** You may be able to rollover funds you received as an eligible rollover distribution from another employer's plan. Before you can complete a rollover into this Plan, you must first receive an acceptance authorization before the monies can be applied to your account.

### Limitation on Aggregate Annual Additions Notice

Your Elective Deferrals may not exceed contribution limits as determined by Applicable Law. There may be excess contributions to your 403(b) if you own more than 50% ("control") of another business and maintain a retirement plan for that business. In such event, the maximum contribution to all plans you control and your 403(b) accounts or annuities may not exceed IRC Section 415 limits for the year, plus the age 50 catch-up limit, if applicable. Your Employer is responsible for knowing you may control another business. You must notify your Employer that you have control of another business to ensure you have not exceeded this limit. If there is an excess between multiple plans, the excess must be removed from the 403(b).

### Plan Investment Options

Your contributions to the 403(b) Plan must be made to an approved investment provider.

**NOTE: Before enrolling in the Plan, you MUST first establish an account with one of the Providers listed in this Notice. If a valid contract or account number has not been received by PenServ prior to receipt of a salary deferral, the contribution will be returned to your Employer.**

Once an investment contract is executed, a Salary Reduction Agreement that includes the Contract Number should be completed and submitted to your benefits representative or PenServ Plan Services, Inc., as instructed in your 403(b) Enrollment Guide.

### Assistance

You may join the Plan or receive assistance by first contacting your Employer's Benefit Representative, the Plan's Third Party Administrator or one of the Investment Companies listed below. Additional information on Plan options is available by contacting PenServ Plan Services, Inc. at (800) 849-4001 or from the Plan's web site.

It is intended that the requirements of all applicable state and federal tax rules and regulations (Applicable Law) will be met. Employee understands and agrees that this Agreement:

1. Is legally binding and irrevocable with respect to amounts paid or available while it is in effect; however, is effective only for amounts not yet earned or made available.
2. May be terminated at any time for amounts not yet paid or available, and that a termination request is permanent and remains in effect until a new salary reduction agreement is submitted;

Employee further agrees that:

- In conjunction with his/her Employer, he/she is responsible for determining that his/her salary reduction amount does not exceed the limits of the Applicable Law;

### Important Information

- Although Employer must authorize Service Providers, Employer does not choose the annuity contract(s) or custodial account(s) in which 403(b) contributions are invested.
- Employees are responsible for setting up and signing the legal documents to establish the annuity contract or custodial account, except for certain group annuity contracts under which Employer may be required to establish the contract.
- In order to receive the expected tax results, Employees are responsible for investing in annuity contracts or custodial accounts that meet the requirements of Section 403(b) of the Internal Revenue Code.
- Employees are responsible for naming a death beneficiary under the 403(b) plan. This is normally done at the time the annuity contract or custodial account is established. Beneficiary designations should be reviewed periodically.
- Employers are responsible for all distributions and any other transactions with the Service Provider. All rights under the annuity contracts or custodial accounts are enforceable solely by Employee, Employee's beneficiary or Employee's authorized representative. However Employer has certain responsibilities under the 403(b) Plan with respect to the integrity of the transactions for the Plan and may require an authorized representative from the Employer (or their Designee) to approve any requested transaction by Employees.
- Employee must cooperate directly with Service Provider, Employer, or their Designee, as directed by Employer to transfer contract(s) or custodial account(s) to another Service Provider, begin distributions, make loans, exchanges or otherwise access 403(b) plan assets.
- Employees are responsible for determining that salary reductions do not exceed the allowable contribution limits under Applicable Law.
