

Science Teacher in Secondary School (Ref. Code 2023-002)

Position Summary:

Teacher of DP Biology and MYP Sciences in Secondary School

Responsibilities:

- Teach Science in grades six through twelve
- Communicate and meet with parents
- Record and share with parents assessment data at regular intervals during the school year
- Collaborate with colleagues from within and outside of the Mathematics department
- Engage in professional development
- Participate in departmental and other meetings
- Create and update unit plans and place them in the appropriate location

Qualifications:

Applicants must have suitable subject and teaching qualifications. A graduate degree in Science is required. Significant experience teaching the MYP and the IB Diploma is preferred. The ability to teach ESS is also an asset. Training in current methodology in the teaching of both native- speakers and second-language learners at the Secondary level is preferred, as is some experience or familiarity with ManageBac.

We are seeking applicants who are familiar with data-driven decision making or a willing mindset to learn how to do so. We seek an educator who welcomes the challenges of in-person, online, and hybrid (combination of in person and online) teaching and learning in all of its permutations. Experience with online and/or hybrid teaching would be helpful.

Terms of Employment:

- Starting date is 1 August 2023
- The position is initially limited until 31 July 2025, with an option for a permanent position thereafter
- The position is a full-time position

Interested applicants should send a letter of interest with a current CV indicating the above-mentioned position including reference code to HR@ishamburg.org
