The role and what we are looking for

Your role as the Head of Enrichment will be integral to the personal development and progress of our students, through enhancing their academic experience, developing their needs, passions and interests, and promoting mental and physical wellbeing. In liaison with the Director of Learning and Enrichment, you will design a programme that embeds progressive pedagogies, in line with the personal development national curriculum and sets a true gold standard in enrichment. You will champion an approach that harnesses the principles of youth and community work, health and education to deliver a full complement of programmes.

Supported by a team of professionals, you will play a key role in coordinating the work of your team and specialist health to assess and devise strategies to successfully engage children in their own

learning journeys. You will lead a team to deliver tailored support to all students, across the home and school, to prepare them for successful transitions into the next phase of their journey.
