SUBJECT: PESTICIDE NOTICE

A Minnesota state law is in effect that requires schools to inform school employees if they apply certain pesticides on school property.

Specifically, this law requires schools that apply these pesticides to maintain an estimated schedule of pesticide applications and to make the schedule available to employees for review or copying at each school office. Spraying for pesticides during the 2021-22 school year will be: October 20 & 21, 2021; one of the days within the dates of December 23-31, 2021 one of the days within the dates of March 7-11, 2021; and one of the days within the dates of June 21-25, 2021.

State law also requires that you be told that the long-term health effects on children from the application of such pesticides or the class of chemicals to which they belong may not be fully understood.

If you would like to be notified prior to pesticide applications made on days **other** than those specified in the schedule above (excluding emergency applications), please complete and return the form below. If you have any questions regarding this notice, please contact: Julie Willeck at jwilleck@isd2144.org or (651) 213-2090.
