

BHS Senior Parking Guidelines (2022-2023)

- 1) In addition to the required student parking permit (\$15), Class of 2023 seniors may choose to paint a parking spot for the school year for \$25. The parking spot painting is only for seniors. Make checks payable to BHS.
- 2) Students will choose spot # on a first come, first served basis. Spots will be numbered. When a spot is taken, it will be reserved to that student and not available to any other student.
- 3) If interested, pick up a packet at the BHS front office. Packets will be available beginning on Monday July 25 during school hours.
- 4) You MUST* bring payment, completed packet and a sketch of your proposed design by due date **(Monday, Aug 8)**. BHS Admin will have a table set up from 8-11 am to begin reserving spots. *
- 5) The design may not exceed the parking space* outline and must be school appropriate. ***Any artwork depicting items, symbols, or language deemed inappropriate will not be allowed.***
- 6) You may include your name, jersey #, musical instrument, hobbies, famous quotes or slogans, or anything unique to you. KEEP IT CLASSY!!
- 7) Purchase concrete appropriate paint in approved colors* (see below) along with paintbrushes, painters tape, rags, tarps, or other supplies you may need. We recommend you sweep or blow off your spot before painting.
- 8) Painting will take place **Saturday, August 13 from 5:00-9:00 pm**. Administrators and class sponsors will be present. Students will be allowed to finish painting on **Sunday, August 14 if needed**.
- 9) Any student who paints inappropriately will lose the privilege of having a senior spot. **No refund will be given.**
- 10) At the end of the school year students will be required to paint over the design in approved paint. (Hang on to your painting supplies until then)
- 11) Search "senior parking spots" online to get ideas.

*Appropriate paint and colors:

- **WATER BASED EXTERIOR LATEX** paint is the only type of paint to be used
- No Reflective paint
- No Spray paint
- No Fluorescent paint
- Students must keep a 4" unpainted border between the white parking space lines and the paint in their parking spot. (Please use blue painters tape)
- **WATER BASED EXTERIOR LATEX** paint may be purchased at retail stores like Bullard Hardware (2-3 days notice), Sherwin Williams, Lowe's, or Home Depot.
