2021-2022
Annual Report of District Data and Student Achievement

Published Fall 2022

While we are proud of and appreciate the lessons we can learn from our performance data, we also realize numbers do not wholly represent Radnor Township School District. There are many other sources to consult to evaluate how we are performing as a District, including: student participation in the dozens of clubs and athletics across our five schools, academic and extracurricular offerings and achievements, and tremendous educators and staff members at all levels.

We also look to the passion and involvement of the Radnor community to evaluate our performance. Our parents and families are consistently engaged in our students' education and support our staff and schools in countless ways. Taxpayers value a strong and successful school district, and our School Board members work tirelessly as volunteers for the benefit of the children and young adults we serve.

We thank everyone who has a hand in making Radnor Township School District a special place to learn and grow.
