RE: RFP 23-02 Secondary Mathematics Program

ADDENDUM 2

VENDOR QUESTIONS & ANSWERS

1. The Bid information for Integrated Math does not list regular integrated. Are you adopting regular integrated math at this time?
Yes, the district is adopting a college and honors level IMI, 2 and 3.
2. We see that you are requesting pricing for 5-year subscriptions. Does the district intend to pay up front for the 5-years, or will financing be requested?
At this time, we do not believe we will be requesting financing.
3. Regarding ongoing professional development, is virtual training acceptable?
Virtual training is acceptable if it is the same high caliber as in person training.
4. We see that you are requesting bilingual editions- are you looking for Spanish or is there another language that you need?
We are requesting primarily Spanish editions.
5. In reference to question 2 on Addendum 1, if digital samples are sent with the RFP, are print samples still required?
Print samples are not required.
6. In reference to question 2 on Addendum 1, how many copies of print Teacher Edition and Student Editions would the district like to see per grade level?
10 samples per level per grade.

All other specification and requirements remain unchanged.
