RE: B-4052 Steam UH Replacement at KT Murphy School

ADDENDUM 1

VENDOR QUESTIONS & ANSWERS

- 1. Are ceiling tiles only to be replaced if damaged? Or should all new tiles be installed in each classroom?**
Contractor to remove, store, and replace existing ceiling tiles in order to conduct required work. If ceiling tiles are damaged during removal, storage, or replacement, Contractor is responsible for furnishing new undamaged tile.
- 2. What level of cleaning is required per demolition notes MD1?**
Classroom furniture and moveable objects will be ganged together and stored within each classroom off to the side out of work area. Contractor is responsible for providing protection to cover furniture/moveable objects so items are not damaged during construction. Contractor is responsible to broom clean, vacuum, mop, wipe clean entire room prior to handing over work areas to Owner.
- 3. Are the supply lines duct board?**
Contractors were given opportunity to access above ceiling areas at mandatory walk thru. Owner is not aware of duct board.
- 4. If supply lines are ductboard, and are in disrepair, will the contractor be responsible for replacing the line past where the drawings specify to a point where the duct is not damaged?**
Yes.

THE SIGN IN SHEET FROM THE MANDATORY WALK THROUGH CONDUCTED ON JANUARY 16, 2023 IS ATTACHED IN THE 2ND PAGE OF THIS ADDENDUM.
