Grade Placement Guidelines

- In the Early Years Program, placement is based on the student's age as of September 1 of the intended school year. (See Notes)
- From Grade 1 onward, placement is based on grade levels already completed at an accredited school. (See Notes)
- Students who arrive after the JIS academic year has started will generally continue in their current grade.
- The Admissions Committee will make a final decision on grade placement following these guidelines after a comprehensive review of an application.

Notes:

- For the 2023/24 school year only, EY1 students pre-admitted before November 1, 2022 will follow placement agreements made during pre-admission.
- In the Elementary, 75% attendance is required to complete a grade level. In the Middle and High School, a minimum of 80% attendance is required.
- Recognized accreditations include CIS, WASC, COBIS, and US, UK, or Australian state schools.

High School Admission and Graduation Requirements

The High School offers open enrollment for the Advanced Placement, International Baccalaureate (IB) Diploma, and IB Career-related programs. Students who are self-disciplined, organized, and motivated are welcome to enroll in these programs. IB pathways are two-year programs and students are expected to begin them in Grade 11.

To be eligible for graduation from JIS, a student must:

- Earn 24 High School credits*
- Attend 8 semesters of High School
- Successfully pass 4 years of English, and at least 2 years each of Math, Science, Social Studies, Modern Language, Creative Arts, and PE courses, plus one semester of Health
- Fulfill all Ministry of Education requirements for High School students
- Attend at least 2 semesters at JIS and earn at least five credits* from JIS.
- Complete graduation requirements prior to turning 21 years of age.

**One-half credit = satisfactory and successful completion of one full semester, including all key summative assessments. A JIS student can earn a maximum of 4 credits per semester.*

Grade 12 transfer students: JIS can only admit Grade 12 transfer students from Lanes 1 and 2 who meet the above requirements. New 12th grade students must join within 2 weeks of the start of the first semester.

Indonesian Ministry of Education Course Requirements

As an Indonesian school under the auspices of the Ministry of Education (MoE), Jakarta Intercultural School is committed to following MoE rules and regulations (MoE decree no. 31 year 2014). These are legal requirements and no student or parent may opt-out of these course requirements.

- **Indonesian Students** must enroll and receive credit for: Bahasa Indonesia, PPKn (Civics) and Agama (i.e 1.5 hours a week of religious education including class attendance) in school, coursework and project work. In addition, Indonesian students must sit/complete all mandated National Examinations (Ujian Nasional).
- **Non-Indonesian Students** must undertake a semester course of Indonesian Studies during their time at JIS, once in Middle School and once in High School. A semester of Indonesian Studies is required in the High School regardless of whether or not they have completed Indonesian Studies in the JIS Middle School or any other school.

Academic Calendar

Semester 1	Semester 2
August - December	January - June

School Hours

Early Years and Elementary	Middle School (Grades 6-8)	High School (Grades 9-12)
7:30 AM - 2:00 PM	7:30 AM - 3:00 PM	7:30 AM - 3:00 PM

There is a shortened day option for EY1 & 2 that ends at 12:00 PM.
