Director's Report (Angela Funya)	
Tammy McCourt and Greg Nourse visited CPCS on 4 April to discuss	
disbursement of funds to CPCS.	
○ CPCS currently receives four quarterly allotments of ~\$900K	
to cover subs, transportation, payroll, etc.	
 SMCPS then bills CPCS for ~\$250K 	
 Three options were suggested: 	
 Quarterly allotments still received, but SMCPS will 	
keep salary portion.	
 SMCPS will keep all money given to CPCS and pay all 	
CPCS bills.	
Continue as we are currently operating.	
 There is a need for a more efficient way to manage money 	
while allowing the Board to maintain oversight.	
Budget	
 Ange and Mary are working to decrease the budget by 	
approximately \$7,000 for 2013-14 school year.	
 SMCPS budget issues will not affect CPCS PPA. 	
Assessments	
MSA is complete	
HAS Algebra will be in May	
The second part of PARCC will be in May	
 MDSE Office of School Innovation will visit CPCS on 24 April @1100 	
as part of the self assessment tool.	
Committee Reports	Discussion

Julia has collected all of the required documents for the pre-application portion of the USDA loan. The application was mailed to Brandi Burwell on 9 April. Once received by USDA, a letter of confirmation will be sent. Once that letter is received, there are a few more documents needed to include those we need an attorney for. Lawyer Will DuBoise is working to create a fee structure that the Alliance can afford to pay. It will be approximately at total of \$20-\$25K for three lawyers at \$500/hour.
