HOW INFLATION IS AFFECTING CARDIGAN.

Reporter: *Noah Humphrey*

Consumer Price Index (Last 20 Years)

The recent inflation had a massive impact on the everyday lives of millions. Cardigan was not an exception. Essential resources such as food, wages, electricity, oil, gas, and propane became more expensive, playing a significant role in Cardigan's everyday operations.

At an all-time high, inflation averaged around 9.1 percent this year. Food alone has risen 8% this year alone. That translates to an 80,000 dollar increase for Cardigan's dining services budget this year. Oil also plays a significant role in Cardigan's day to day operations, since oil provides heating for all of the dorms in the winter. It is shown that Cardigan's oil bill this year has increased

close to 100,000 dollars alone. Inflation is also negatively affecting the stock market as this school's endowment is diversified carefully into the stock market. Cardigan's endowment hit an all time high of 41 million dollars in 2022, and since then it lost 3 million dollars in value. For a safely diversified investment, that is a significant and unexpected swing in value. Transportation is also a big part of Cardigan operations. The AVs that take us to and from games consume fuel, however the oil prices have risen about 60% this year which means it is now 60% percent more expensive to take us to and from games. These are just a few of the operations getting affected because of inflation but is essential to understand the negative effects inflation has had on Cardigan.

VARSIY SOCCER OFF TO A FRESH START

Reporter: Andy Han

For the first two weeks of the season, the Cougars have been busy doing sports tryouts and practices. Cardigan's varsity soccer team played two games and participated in Williston Northampton's jamboree. In their first game at St. Paul's against Fay School's varsity soccer, the Cougars emerged victorious despite having three days of tryouts and practices. Cardigan's first season game resulted in a 4-2 win. Alex Calabro scored two goals; Carlos Mayer and Tymofii Panasenko each scored a goal as well.

Before the Cougar's game against Austin Prep, the varsity soccer team was finalized with the captain voting. Dohyun (DK) Kim and Tucker Harris were voted co-captains for this year's varsity soccer team. The Cougars traveled south for a game against Austin Prep's JV soccer team. Alex Calabro and Amanuel Levine scored a goal each in the first half, giving the Cougars a two-goal lead. Co-captain Dohyun (DK) Kim initiated the second half by ripping a shot at the top of the 18 into the lower right corner of Austin Prep's goal. Nonetheless, co-captain Tucker Harris dashed from center back to earn himself a goal. Nick Sumner crashed the goal by persistently chasing the ball after the goalie's mistake. However, the Cougars allowed Austin Prep for a goal in the final minutes, leaving the Cougars a 5-1 win on the road. At the Williston Northampton Jamboree, the Cougars ended up with a 1-1-1 record.

The team recently played against Fessenden, Deerfield Academy, and Proctor Academy, adding 2 wins and 1 loss to the record. The varsity soccer team experienced a tough 1-5 loss against Fessenden, though crushed the next two games.

On the 8th of October, Cardigan's varsity soccer team played the most important game of the season: the Eaglebrook game. Though Alex Calabro, Nick Sumner, Tucker Harris, and Griffin Cepiel each earned a goal, the opponent fought back and the game eventually tied.

Aside from the Williston Northampton Jamboree, the team now has a record of 4-1-1. About seven games and the final Eaglebrook Jamboree awaits.
