Please read each statement and initial beside each one.

1. I did / did not take the Dual Credit Course last year.

2. I am interested in taking Dual Credit course (s) at:

Eastern Kentucky University

Both EKU and BCTC

Bluegrass Community and Technical College

Not Sure

3. I have attended the dual credit informational session. I acknowledge that I am responsible for the information covered during this session.

Yes, I acknowledge responsibility for this information

4. I am aware that my grade in my dual credit course will be awarded on my college and high school transcript.

Got it. Two transcripts will show this grade (college/high school). Yes that really could affect my financial aid, KEES\$.

5. I am aware there are several deadlines that I must meet throughout the course of the entire school year for dual credit.

Yes, I will definitely meet those deadlines. I am responsible. I will not procrastinate.

6. I am aware that I may qualify for a KHEAA Dual Credit Scholarship to cover the class. However, I am aware that I will still most likely have an account balance to pay at the end of the semester.

I am aware that I most likely will still pay something for dual credit classes.

7. I am aware that it is my responsibility to set my preferences for my KHEAA Dual Credit or Work Ready Scholarship so it is sent to the college of my choice.

I am aware that I am responsible for setting my preferences and the MSHS counseling office cannot do this for me.

8. I am aware that I must give my guardian educational access to my college accounts (grades, financial statements, etc.) if I want them to be aware of my grades and account balance.

Yep, the college won't talk to my guardians without my permission, even if it is their money.

9. I am aware that if I receive a D or F in a Dual Credit course, I will have to repeat that course to continue in the dual credit program. I cannot use the KHEAA dual credit scholarship to pay for the second time taking the course.

Got it. If I don't perform well academically, there are consequences.

10. I am aware that EKU and BCTCS will follow their academic calendar and not Madison Southern's Calendar.

Yes, I should write down the important dates for the college I'm attending.

11. I am aware that I will have a separate email and account for the college I attend. I am aware that I should check my email daily as a dual credit student.

Yes, I will write down all the important log-in information because the MSHS Counseling Office does not have access to that information and cannot help me if I'm locked out of my account.

12. I am aware that EKU and BCTC have different methods of registration and different deadlines.

Yes, I will thoroughly read the MSHS Counseling Office emails and check the dual credit google classroom to stay up to date about the registration process.

13. I am aware that Madison Southern will have no way of knowing that I am not keeping up with my course until it may be too late. It is my responsibility to communicate with my professor and reach out to the Counseling Office, if I have any issues.

Yes, I will reach out early with any issues in my dual credit course.
