

# Welcome to Unionville High School

## 2022-2023

Follow the steps as outlined below to complete the new student registration process for the 2022- 2023 school year.

### 1. Schedule Placement Testing

- Please contact Ms. Shylene Jackson, Counseling Center Secretary, to schedule the placement test by email at [sjackson@ucfsd.net](mailto:sjackson@ucfsd.net) or by phone at 610-347-1600 x3073.
- Students will complete placement tests in English and Math. Placement testing takes approximately 3 hours.

### 2. Schedule Registration Meeting

- Registration meetings are typically scheduled no sooner than one week following the completion of the placement tests. At the registration meeting, you and your child meet with a school counselor to review the results of the placement exams and determine a tentative schedule. Academic records also guide placement and enable counselors to determine credits earned; therefore, previous high school transcripts/grade reports must be on file prior to scheduling your meeting. Academic Records can be faxed directly to the Counseling Center at 610-347-1677 or, preferably, emailed to Shylene Jackson at [sjackson@ucfsd.net](mailto:sjackson@ucfsd.net).
- Prior to your registration meeting, the student should review the [UHS Course Selection Guide](#) carefully, including graduation requirements and course selection options. The course selection guide can also be downloaded from the Academics section of the UHS website.
- All UHS students are issued a chromebook which will be provided starting the week of August 22nd. Students will be able to come to UHS from August 22nd through August 25th to pick up their chromebooks. Students will receive information regarding Powerschool, Canvas, Naviance, and a school-issued Google account. The UCFSD Technology Department Contract must be completed before a Chromebook can be issued.

### 2. Check your UHS issued email account regularly for important updates

- The high school administration will be sending information about **New Student Orientation** and the **UHS Walk Through Day**. Both of these events are important for new students and provide an opportunity to meet other UHS students and learn more about life as a student at UHS. Plans for both of these events are currently being updated and official information will be forthcoming.
- SHOC Ambassadors are current UHS students who are eager to welcome you to UHS and every new student is assigned a SHOC Ambassador. Your SHOC Ambassador will be reaching out to you via your school email account.

**First Day of School is August 29, 2022!**
