3/10/23	315,000
4/14/23	350,000
5/5/23	385,000

The RMS Reading Program was established to support reading school-wide.

Students are allowed to participate in practices for their activity but cannot participate in a game or performance until the minimum word count is met.

Reading teachers have worked in unison with administration to create the word count. This is a minimum requirement for reading classes.

It is important to our RMS faculty and staff to create a solid foundation for reading before our students move on to high school.

\*If the school calendar is adjusted due to COVID-19, these dates will be adjusted.

**GUM, CANDY, DRINKS AND SNACKS:** These items are not allowed at school without specific permission from the principal. Drinks may be brought to school for consumption at lunch time only, and must be in the original un-opened containers. Drinks that are taken out at times other than lunch will be confiscated.

**HALL PASSES:** Students are not permitted to leave class to use the restroom or the water fountain without a hall pass from the teacher. Emergencies or illnesses require individual treatment. Students must develop the habit of bringing with them the books, pencils, paper, and any other materials required for class. Teachers will not excuse students from the classroom to go to their lockers for these materials.

**HOMEROOM/TAP:** Announcements will be made and attendance will be checked at this time.

**ILLNESS AT SCHOOL:** If a student becomes ill at school, the teacher should be notified. The student will be sent to the clinic with a pass and his/her parents will also be notified. The parents or guardian must sign the student out in the attendance office before leaving school due to illness.

**LOCKS AND LOCKERS:** Each student will be assigned a locker by his homeroom teacher. Students do not share lockers unless they are assigned to do so by a teacher. Students are required to purchase school locks. School officials have a master key available if students forget their combination.

**BOOKBAGS:** Students will be allowed to carry their books to and from school in book bags. During the school day, book bags will be kept in lockers. Book bags will not be brought into classrooms for space and safety reasons. Students will be given locker breaks and will not need to carry all their books to every class.

**LOST AND FOUND:** All unclaimed articles found in the building or on the school grounds should be turned in to the main office. Any person losing articles should go to the main office to check for them.

**PARENT-TEACHER CONFERENCES:** Riversprings Middle School students will

benefit greatly from coordinated home-school effort. Parental involvement is vital to a student's academic and emotional growth. Parents are urged to call the school when there is a concern about their children. Requests for parent-teacher conferences may be made through your child's homeroom teacher by calling the school at 926-2300.

**RESALE ITEMS:** Students may not bring any items to school for the purpose of selling the items to students or teachers without securing permission from the principal.

**SCHOOL HOURS:** The first bell rings at 7:35 a.m. with homeroom/TAP starting at 7:40 a.m. and dismissal at 2:30 p.m.

**LOITERING:** There is no supervision for students after 3:00 p.m. and students should not remain on campus after that time unless they are attending a school related function or activity. Permission must be obtained from the Shadeville Elementary principal if a student wants to enter the Shadeville school grounds during school hours.

**TARDIES:** Students who come to school late must have a note from their parents stating the reason for being late. An excuse other than sickness or family problems will be considered unexcused. The student who comes late (after homeroom has ended) must obtain an admit slip from the attendance office before entering class. Three unexcused tardies to school of more than 20 minutes (8:00 a.m.) will be counted as one full unexcused day.

Each student is expected to report to school and each class on time. Latecomers interrupt and disrupt the whole class. Teachers will inform students of their tardy policy, and students will be expected to observe that policy. Offenders of the policy should expect disciplinary action from the teacher and/or assistant principal. Teachers that release students late are responsible for writing passes for all students for their next period class.

**TEXTBOOKS:** Textbooks which are furnished by the State of Florida and the Wakulla County School Board are issued to students. Students are expected to properly care for their textbooks. In order to prolong the life of textbooks, students are expected to use book covers. If a book is lost or damaged, it must be paid for by the student or his parents. If a student owes for a textbook from the previous year, he/she will not be allowed to participate in any extracurricular activities until the old book is paid for or returned.

**VISITORS & VOLUNTEERS:** Any parent, guest, or other person not employed by Riversprings Middle School must gain admission to the building through the main office. Only the principal and assistant principals may give visitors authority to be on campus.

Students who are not enrolled at Riversprings Middle School are not permitted to remain on campus without a pass from the principal or assistant principal. Any such student found on the campus should be brought to the main office. Students are not allowed to bring visitors to school.

## PARENT VISITATION:

### Purpose

Education is a co-operative affair between home and school for the good of the child. Parents are encouraged to visit classrooms for the purpose of gaining an insight into operation, content of programs, and for the purposes of gaining an insight as to means of helping their own child. Parents are not expected to evaluate teacher effectiveness, nor may they have access to data on students other than their own child.

### Guidelines

To avoid misunderstanding between parties concerned, the following guidelines for visits to the classroom must be followed:

1. An appointment will be made with the school administrator in charge of the elementary, middle, or secondary program, the teacher of the class to be observed and the parent a minimum of one week prior to the visit. This appointment will take place on time not considered instructional time of the teacher.
2. The parent/guardian will be briefed as to the lesson, its objectives and process of instruction to be used. This should avoid any misunderstanding.
3. The length of the visit will be prearranged, not to exceed 20 minutes.
4. No more than one (1) person at a time will be permitted to visit the room.
5. Parents/guardians visiting classrooms will be spectators, not participants.

### Delegation of Responsibility

It is understood that the school administration reserves the right to refuse visitation to persons who are not parents, guardians, or to persons it considers disruptive to the education process.

## **WITHDRAWALS:**

The following are the policies for withdrawal from school.

1. The student must obtain a withdrawal form from student services on the last day of attendance.
2. A parent must either come to school to withdraw the student or be available by phone.
3. Books are to be returned by the student to individual teachers.
4. The withdrawal form must be signed by the student's teachers and the librarian, then returned to student services.

## **DISCIPLINE PROCEDURES**

Since misconduct of any degree of frequency is undesirable and not conducive to a positive learning environment for all, students should understand that certain consequences are applicable to their behaviors. A wide range of alternatives are offered as consequences to infractions. Positive means of discipline will be used to solve behavioral problems whenever possible. Such actions include conferences by various school personnel to determine the nature of the student's difficulty and to provide assistance to the student in working out a plan to resolve the problem. Other alternative measures are available to impress upon the student that disruptions to the learning environment will not be tolerated. Because some behaviors are more serious and disruptive than others, the frequency, nature and degree of the misconduct as well as the age of the student will determine the specific disciplinary action to be taken. The principal or his designee will make the decision as to which alternative(s) properly suits the infraction.

### **In School Suspension (ISS) Procedures**

1. Get all necessary materials from your locker
2. All students must sign-in when entering the ISS
3. Phones are checked in with the ISS instructor
4. Begin work immediately
5. All assignments must be completed (work shown and questions are answered in complete sentences)
6. Each student's desk area must be clean prior to leaving the ISS classroom at the end of the day
7. ISS classroom rules will be posted and gone over with each student who has been assigned to ISS

Any student who has been assigned to **In School Suspension** will not be able to participate in any extracurricular activities until all days assigned have been completed.

**PASS (Positive Alternative to School Suspension):** Students may be assigned to a Positive Alternative to School Suspension (PASS) within the school district by the principal or designee for behaviors that would warrant an out of school suspension. Placement in the PASS program will not exceed 10 days. Students placed in PASS must successfully complete the assigned days before being allowed to return to Riversprings Middle School. The PASS program is a part of Wakulla Institute at the district office.

**PATHWAYS:** Students may be involuntarily assigned to Pathways as an academic or behavior intervention, or as an alternative to suspension and/or expulsion (Grades 6-12), or if they demonstrate problems with discipline which include gross insubordination; disruptive, assaultive or violent behavior; substance abuse; weapons on campus; behaviors which persistently interfere with the learning of self or others; or other serious offenses in or out of school, including those which result in involvement with the Juvenile Justice system.

A student assigned to Pathways cannot be on the campus of or participate in any activities, extracurricular or otherwise, in any of the Wakulla County schools for the duration of his/her placement in Pathways, including if withdrawn or not attending. Students may be allowed to attend paid school events not occurring during school hours unless that privilege has been revoked. Driving privileges must be applied for through the Principal.

If a parent or guardian chooses to withdraw his/her student from the Wakulla County school system, the time assigned for attending the Pathways will still have to be fulfilled at Pathways before the student may return to any of the other Wakulla County schools.

The assignment to Pathways may be extended if the student has not complied with Pathways' policies or has failed his/her classes, as determined by the Case Review and Reassignment Committee.

## **Tobacco Use**

**In accordance with the most current School Board Policy 2.90, all use of tobacco/electronic smoking device products in any form, are prohibited in any District owned facility, vehicle, and property.**

## **STUDENT SERVICES AND SPECIAL SERVICES**

*A focal point of the middle school program is the emotional and personal development of the students. Developing a sense of self-acceptance and appreciation for others, learning to make decisions and solve problems, and maintaining meaningful and satisfying relationships are vital components in becoming full functioning human beings. To help our students to develop in these areas, a school wide guidance program is offered.*

The Associate Dean of Student Services or Social Worker is available to discuss personal, educational or vocational problems with students or parents. Students may request appointments by coming by Student Services.

Parents are encouraged to contact the school at 926-2300 for conferences regarding their children. Conferences with parents and teachers may also be coordinated through Student Services.

A variety of services are available to assist students with special needs:

*The school psychologist* provides psychological and education assessments for students experiencing learning and/or behavioral difficulties.

*The vision teacher* provides vision screening for students with symptoms of eye problems.

*The speech and hearing clinician* tests students for possible speech and hearing problems and provides therapy for students with speech and language problems.

*The exceptional student program* includes special class instruction for students with unique learning needs.
