

HOW TO REGISTER

Some tips for a successful registration

Don't start until you know what you want

Even if you think you know, many courses have similar names and you will want to check the course numbers. Don't just pick the first thing you see.

Course Name	Number				
MA Algebra 1	2101	<input type="checkbox"/>	VC Computer Apps 2 (Parent)	9952	0.5
MA Algebra 2	2102	<input type="checkbox"/>	VC Computer Science 1	8161	0.5
MA Algebra 3 / Trig	2303	<input type="checkbox"/>	VC Computer Science 2	8162	0.5
MA Algebra 4 / Trig	2304				
MA Geometry 1	2201				
MA Geometry 1 Block	2231				
MA Geometry 2	2202				
MA Geometry 2 Block	2232

Check your work

Make sure you are choosing the correct second-semester class (American Literature 2 goes with American Literature 1--you can't mix and match).

English

YEAR-LONG COURSE, SELECT BOTH SEMESTERS. Graduation Requirement: 8 semesters. REQUIRED CLASS FOR SENIORS.

Number of requests to generate: 1

EN American Literature 1 1211 - 0.5 credits

EN American Literature 2 1212 - 0.5 credits

Know what the signals mean

 Does **NOT** mean you are done. It means you are not required to do anything in that section in order to complete the registration

 Means you **MUST** do something in that section to complete the registration.

Choose alternates

Choose lots of alternates!!

Many times the course you want will be full. If you don't choose an alternate, you will have to see what is left over in August. Certain courses are more likely to fill than others, for example:

- Photography
- Ag or Plant Science
- Ceramics
- Junior and Senior English
- Science classes

Ask someone to look it over

It's simple advice and it will help you get the classes YOU want, not the ones the school gives you.

Welcome to the Southridge High School Class Registration System for 2023-2024 :

Please choose the 6 classes you would like for your Senior year. You will NOT choose from each section.

Get started early

If you start early enough, we will look over your work as well. This gives you plenty of time to fix things
