

# FAIRVIEW EARLY CHILDHOOD CENTER

## SCHOOL RATING: **YELLOW**

The school quality rating is a component of the strategic plan for the district. It is made up of the school scorecard and standards of practice.

**A yellow rating means the school is receiving inconsistent results on the scorecard and standards of practice and they need extra support.**

### WHAT IS OUR FOCUS?

Using data to support all students will be an area of emphasis for the 2022-23 school year.

Here are some things you can do at home to support your student:

- Acknowledge & speak with your child about feelings.
- Attend conferences.
- Problem solve with your child when they are experiencing strong emotions.
- Encourage learning through play.
- Utilize the SeeSaw app to connect with teachers.

### IMPORTANCE OF ATTENDANCE

Research shows that missing 10 percent of the school year, or about 18 days, negatively affects a student's academic performance. That's just two days a month and that's known as chronic absenteeism.
