

JEFFERSON HIGH SCHOOL

SCHOOL RATING: **RED**

The school quality rating is a component of the strategic plan for the district. It is made up of the school scorecard and standards of practice.

A **red** rating means the school is receiving inconsistent results on the scorecard and standards of practice and they need extra support.

WHAT IS OUR FOCUS?

Using data to support all students will be an area of emphasis for the 2022-23 school year.

Here are some things you can do at home to support your student:

- Consistent positive parenting.
- Attend conferences.
- Set aside time to review your child's schoolwork and provide feedback.
- Reinforce the importance of school participation.
- Work as a team and communicate with school.

IMPORTANCE OF ATTENDANCE

Research shows that missing 10 percent of the school year, or about 18 days, negatively affects a student's academic performance. That's just two days a month and that's known as chronic absenteeism.
