

WHITEHEAD ELEMENTARY SCHOOL

SCHOOL RATING: **YELLOW**

The school quality rating is a component of the strategic plan for the district. It is made up of the school scorecard and standards of practice.

A yellow rating means the school is receiving inconsistent results on the scorecard and standards of practice and they need extra support.

WHAT IS OUR FOCUS?

Based on student results, writing will be an area of emphasis for the 2022-23 school year.

Here are some things you can do at home to support your student:

- Have children write to communicate at home.
- Write thank you notes, positive letters, or a daily journal.
- Utilize the SeeSaw app to connect with the teacher.
- Point out writing throughout daily life.
- Attend conferences.

IMPORTANCE OF ATTENDANCE

Research shows that missing 10 percent of the school year, or about 18 days, negatively affects a student's academic performance. That's just two days a month and that's known as chronic absenteeism.
