Dear MIHS Students and Families,

Mr. Kelly and I have remained in touch since he departed on his leave in September. In the letter sent to the community at the beginning of the leave, Principal Kelly shared with you his need to heal and recuperate from a chronic physical illness. Although improving, Mr. Kelly will extend his leave through the first semester at which point we will talk again about the future. He sends his very best to the students, staff, and community. I know I share your sentiments and continue to wish Mr. Kelly the best in his recovery.

I want to affirm my support of the leadership team at MIHS headed up by Acting Principal Wold and Associate Principals Deen and Hill. They have not wavered in their commitment to Mercer Island High School. They will continue serving the students, staff and community in Mr. Kelly's absence.

Sincerely

Fred Rundle
