Minutes

- I. **Welcome:**

Parents were welcomed to the new school year and our gathering back together for family activities and learning experiences. An introduction of staff was made so that parents might be able to see the people they would be dealing with this year.
- II. **Title I Presentation:**

The Title I power point presentation was presented and discussed with the parents. An explanation of how the Title I services support the school, how the money is always utilized, and how Title I benefit families was also explained.
- III. **Title I Budget for 2022 – 2023:**

The Title I Budget and Budget Allocations was given to the parents. A discussion ensued about how the school uses the money to go directly into support for the students and their families was discussed.
- IV. **What Parents Need to Know School Procedures and Opening Day:**

Procedures and pertinent information was shared with the parents about the highlights for the new school year and the procedures being used to take in and release students in the car lines. The school's dress code and school shirt purchases were also discussed with the families. As always, throughout the meeting, discussion was held and questions were answered.

V. Parent Engagement:

The Parent and Family Engagement Manuals were shared with the parents. It was stressed that the school wanted to be a good partner with the families to help their children succeed. We also discussed the Parents as Learning Partners Conference for parents to be held in the winter (probably January) to help parents prepare their students for SBAC exams.

VI. Questions/Feedback:

Questions related to the safety of the students and the school were asked and discussed. Many of the services provided were shared with the families.
