2022- 2023 Payroll Information

Permanent employees will be paid on the 15th and 30th of the month. If the 15th or 30th falls on a holiday or weekend, pay will be direct deposited the business day prior.

All payroll is distributed via direct deposit according to a schedule and approved annually by the Board. Paystubs will be provided electronically.

For work performed from the 1st of the month through the 15th of the month, a scanned copy of your timesheet is due to Human Resources by COB on the 18th of the month. Please send these through your building secretary. For work performed from the 16th of the month through the 31st of the month, a hard copy of the completed, signed timesheet is due to HR by COB on the 3rd of the following month. Timesheets that do not meet these qualification will be returned to the school to be revised. Failure to complete your timesheet properly can delay your pay until the next payroll.

Calculating Pay

Employees who are paid an hourly rate and are also contracted for a specific number of days and a specific number of hours per day, will have their salary divided evenly over 24 paychecks even though the number of days worked during a pay period may differ.

HOURLY RATE X HOURS PER DAY X DAYS PER YEAR /24

Hourly Rate	\$12.50
Hours Per Day	7
Days Per Year	180
Total Gross Annual Salary	\$15,750
Gross Salary Per Paycheck	\$656.25

The salaried pay scale is based on 187 days. Employees who work a different number of days per year or partial days will be paid on a pro-rated basis. To calculate the base pay (if the employee works an alternate number of days or fte), use the following formula.

ANNUAL RATE / 187 X CONTRACTED DAYS / 24

Annual Rate	\$42,000
Contracted Days	200
Total Days Annual Salary	\$45,920.00
Gross Salary Per Paycheck	\$1872.00

(ANNUAL RATE / 187 x FTE) X CONTRACTED DAYS /24

Annual Rate	\$42,000
Contracted Days	187
Contracted FTE (Full Time Equivalent)	.50
Total Gross Annual Salary	\$21,000
Gross Salary Per Paycheck	\$875.00
