

Kansas City Public Schools AVID Student Application

AVID applicants must have the potential and desire to attend a four-year college, exhibit appropriate classroom behavior, have a good attendance record, and display exceptional work habits.

If selected to participate in AVID, students must: commit to participate in the AVID elective class for the *entire* school year, enroll in advanced courses, and study & review homework for 1-1 1/2 hours each night. As leaders within our learning community, AVID scholars are held to the highest academic and behavioral standards. Scholars who fail to meet these standards may be exited from the AVID program and may jeopardize their participation in school functions and/or extracurricular activities.
