

PERSONNEL

Credit for Previous Teaching Experience

Teachers ~~hired coming into~~ Virginia Beach City Public Schools ~~the Virginia Beach School System~~ will receive credit for experience outside Virginia Beach City Public Schools ~~the Virginia Beach system~~ on the following basis:

- A. One credit for year of verified teaching experience in a state or regionally accredited school.
- B. A full year of teaching experience shall be interpreted as follows:
 - 1. For teaching experience prior to the 1974-75 school year, a teacher must have taught at least one hundred and twenty (120) days of a one hundred and eighty (180) day school term.
 - 2. For teaching experience during the 1974-75 school year, or thereafter during the life of the contract, the teacher must have been employed on a full-time basis for a minimum of ninety-five (95) days or on a half-time basis for a minimum of one hundred and ninety (190) days during the regular school term.
 - 3. No more than one (1) experience credit shall be credited for less than a full year for one hundred ninety (190) days of service. Additional partial years of teaching experience (minimum of one semester) may be combined for additional experience credits.
