INTERN NATURALIST POSITION

GREEN MEADOWS OUTDOOR SCHOOL

JOB DESCRIPTION

Green Meadows runs 4-5 day programs for 6th graders. Intern Naturalists teach classes on topics such as ecology, wilderness skills, and team building. Interns learn to run all aspects of the program, including field trips, training high school cabin leaders, and leading evening campfire. Green Meadows is located two miles outside of Yosemite National Park in Fish Camp, CA, at 5,000 feet elevation. Housing and food are provided during program. This site is run by Merced County Office of Education.

QUALIFICATIONS

- B.A. or B.S. degree or current enrollment
- Coursework in the natural sciences.
- Ability to hike up to 7 miles a day.
- Current first aid and CPR certifications
- Valid driver's license
