in learning and is connected to the school  
and broader community.

- 1 Our teachers use active learning strategies, such as cooperative learning and project-based learning.
- 2 Our school offers a range of opportunities for students to contribute to and learn within the community at large, including service learning, internships, apprenticeships, and volunteer projects.
- 3 Our school policies and climate reinforce citizenship and civic behaviors by students, family members, and staff and include meaningful participation in decision making.
- 4 Our school uses curriculum-related experiences such as field trips and outreach projects to complement and extend our curriculum and instruction.
- 5 Each student in our school has access to a range of options and choices for a wide array of extracurricular and cocurricular activities that reflect student interests, goals, and learning profiles.
- 6 Our curriculum and instruction promote students' understanding of the real-world, global relevance and application of learned content.
- 7 Our teachers use a range of inquiry-based, experiential learning tasks and activities to help all students deepen their understanding of what they are learning and why they are learning it.
- 8 Our staff works closely with students to help them monitor and direct their own progress.
- 9 Our school expects and prepares students to assume age-appropriate responsibility for learning through effective decision making, goal setting, and time management.
- 10 Our school supports, promotes, and reinforces responsible environmental habits through recycling, trash management, sustainable energy, and other efforts.
