## FROM THE CHAIRMAN OF THE BOARD OF TRUSTEES

Teachers are the secret to thriving students. Because of them International College continues to excel. A testament to their success is our excellent results for the International, French and Lebanese

Baccalaureate programs and the truly outstanding list of universities to which our students gain entry.

Recognizing the difficult economic circumstances in which our teachers are functioning, we launched during 2021-2022 the TEACHERS' SOLIDARITY FUND which I am pleased to advise reached our \$1.2 million goal. These funds were used to supplement the declining purchasing power of our teachers' salaries. We plan to renew this program for this 2022-2023 school year and ask parents, trustees, alumni, and friends to help fund this critical effort.

Our support for teachers also includes our commitment to employing the Danielson Framework for Teaching which is supported by the US based Danielson Group. This program assures the professional growth of our teachers throughout their IC careers, therefore promoting superior student learning.

Our Ras Beirut campus benefited from the opening this year of a fully renovated pre-school building. We will undertake a number of important upgrades at Ain Aar this year including remodeling the

auditorium, improving the outdoor basketball court and covering it with solar panels, creating an additional art room for the primary school and remodeling all the indoor play area.

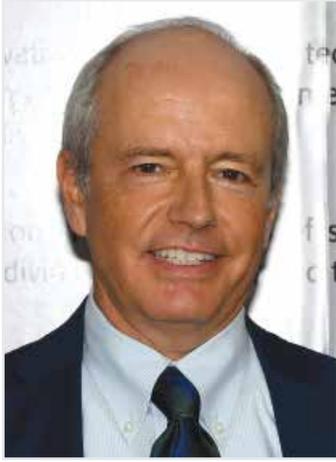

Our scholarship program was again expanded. We assisted over 267 students with financial aid. In addition, the Ali Ghandour Center fully supports 24 need-based scholastic scholarship students at the high school level. I am pleased to report that two of these students were accepted this year into an American Ivy League University.

To move the school forward in the best possible way we engaged a firm this past year that is specializing in K-12 strategic planning. This strategic planning endeavor includes parents, faculty, administration, students, alumni and trustees. We will complete this undertaking during this 2022-2023 school year.

Given the continued economic difficulties and uncertainties facing all IC stakeholders, we have opted for the third year to run a sizable budget deficit. While these deficits have yet to impair our operations, we do, now, need to begin to more aggressively address these shortfalls.

We thank our parents, alumni, trustees, and friends for their past and continued support which is especially important during these challenging times.

**Donald J. Selinger**

## FROM THE PRESIDENT

Dear members of the IC Family,

In spite of the challenging situation that continued to impact Lebanon last year, and in the midst of an unprecedented national economic crisis, IC has continued to flourish.

Finally, IC teachers and administrators actively engaged in professional development, demonstrating their true commitment to life-long learning.

These successes could not have been achieved without the unwavering support and guidance of IC's Board of Trustees who last year again demonstrated their commitment to the school, its personnel, its students and their families.

Indeed, not only was the School able to resume in-person teaching and learning but it was also able to financially support its faculty, its staff, and its families in need.

Furthermore, co-curricular activities partially resumed, allowing our students to hone and display both their athletic and artistic talents. In addition, our expanding civic engagement and service-learning program offered IC students of all ages many opportunities to show initiative while inquiring about social issues and developing leadership skills.

On the academic side, the school also shined brightly, as displayed by our graduating class's stellar national and international exam results, as well as an impressive college acceptance list.

Equally, these achievements would not have been possible without our donors' admirable generosity. You, our benefactors, allowed the school to keep moving forward as a community of life-long learners while supporting and nurturing every one of its members.

I am humbled by the commitment of our donor community and invite all those who are not yet part of this essential IC support group to consider giving to the school and supporting our beautiful IC family!

With kinds regards,

**Joel Peinado**  
**President**

# ANNUAL FUND

ETHICAL

ACADEMIC

**SOCIAL**

**PHYSICAL**

**AESTHETIC**

Every year, International College relies on the support of the Annual Fund from its alumni, parents, trustees and friends. As is the case with many independent schools, tuition fees at IC does not cover full operating costs. Programs which give IC that margin of excellence have to be funded elsewhere, namely through private contributions to the Annual Fund. The Annual Fund is made up of yearly gifts that go directly into the operating budget and are earmarked for school enhancements including financial aid, faculty development and student extracurricular programs.

**First Grade 12 AGC graduates**

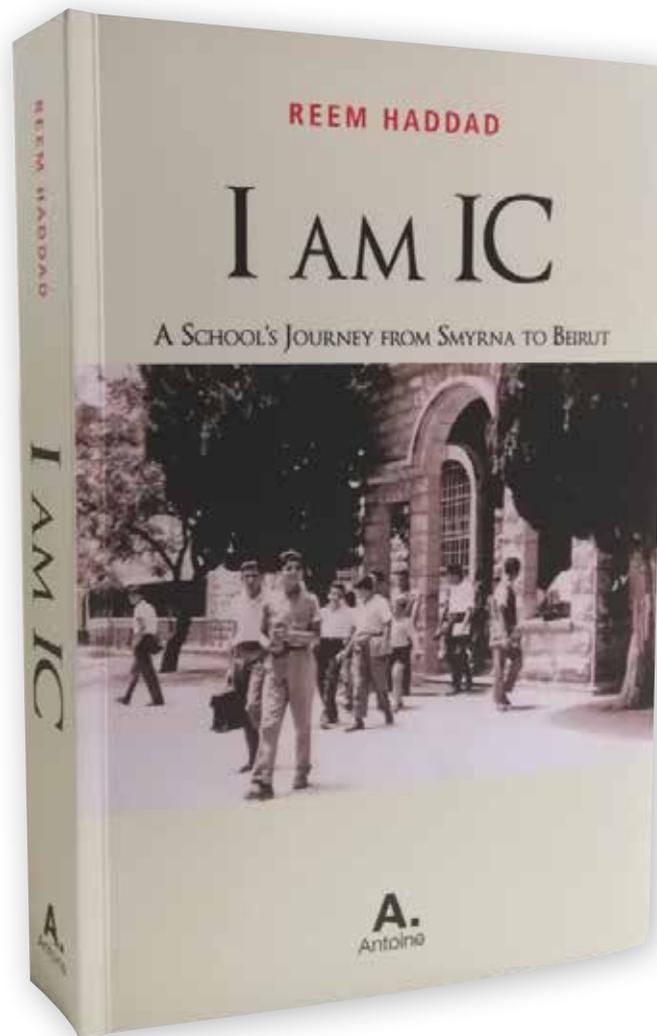

Established in 2019, the Ali Ghandour Center (AGC) for Leadership and Civic Engagement (AGC) marks the first community-based learning center of its kind at the secondary school level in the region.

Jointly funded by IC and the Ghandour family -Raghida, Amal and Fadi Ghandour- the AGC offers an intensive leadership and dynamic citizenship program through a Community Engaged Learning (CEL) model. Spread over three years, starting with the 10th grade, the program mentors students through a sequenced journey, beginning with extensive volunteering with an array of grassroots organizations and culminating with students leading Community Service Projects (CSPs).

**“I AM IC” is a touching story of a school looking for a place it could finally call home.**

# EXISTING ENDOWMENT FUNDS

Gifts to the Endowment Funds create a principal that left intact will provide interest earnings on that principal. This interest provides capital for designated purposes such as scholarships, financial aid, special projects and ongoing support to the school. Donations may be made to any endowed fund in honor or in memory of a loved one or special person. A gift to an endowment fund is truly one gift that “keeps on giving”.
