OUR COMMUNITY AND SCHOOL

Amity International School Amsterdam is a private international school in the Amsterdam region; its mission is to offer excellent education to prepare students for the ever-changing world around them. Amity Amsterdam opened their doors for students in February 2018. Only 15 minutes away from Schiphol Airport, the school is located in Amstelveen and is surrounded by green spaces. Located in a unique monumental building surrounded by parks and with their focus on the well-being of every student, Amity International School Amsterdam is one of a kind.

Amity International School Amsterdam is an International Baccalaureate continuum school, offering the IB curriculum from Early/Primary years through the Diploma Programme. Amity International School Amsterdam is accredited by the International Baccalaureate Organisation and holds membership in the International Association for College Admission Counselling. Amity International School Amsterdam is part of the Amity Education Group, a Not for Profit Education Foundation with campuses in Dubai, London, Singapore, New York, Delhi, Tashkent, and Amsterdam.

MISSION

It is our mission to provide an engaging and challenging learning environment where students are empowered to succeed academically, socially, and emotionally. Our students learn within a real world, inquiry based curriculum which fosters their individuality, creativity and unique interests. We encourage our students to be innovative and reflective thinkers who demonstrate resilience and determination. We promote ethical, responsible action for positive change and provide opportunities for teamwork and leadership. We nourish the development of open-minded, caring individuals who are active and respectful members of the global and local community.

VISION

Empowering each individual to thrive and make a positive difference.

POST SECONDARY SCHOOL PLACEMENT

Amity International School Amsterdam believes in a values-based, best-fit approach to post-secondary placement. Using students' capabilities and strengths, our students pursue options best suited to their aspirations globally. Our students are currently exploring options throughout the European Union, the United Kingdom, Japan, and the United States of America. We strive to provide global options and are open to post-secondary representatives visiting Amity and meeting our students.
