###### **Phase II**

I am,

of of. Five minutes ago I asked each of you who are

(School or Office)

students in our school to return to your classes (and those who are not students to leave the premises). I indicated to you at that time that if you had not returned to your classes or vacated the premises by this time, you would be subject to suspension and/or arrest. Therefore, I am now indicating that each of you who are enrolled in our school are suspended from school; and you may not return to school until an individual appointment has been made and kept by you and your parent(s) or guardian. Your parent(s) or guardian will be contacted in the near future regarding the appointment date.

~~To avoid further difficulty and possible arrest, I am now asking each of you to leave the school property immediately. You will have five minutes to comply with this request. If you have not vacated the school property in five minutes, the police will be called and you will be forced to leave and you may be arrested. I must remind you that such an action will be recorded on your school record and will become a part of the police record as well. Neither of these will help you or your cause and will undoubtedly bring embarrassment to your family. Therefore, for the last time, I am reminding you that you have five minutes to leave the school property. Those failing to comply are in violation of the laws of the State of Virginia since you are remaining unlawfully upon this property. In addition, since I am asking you directly to leave, failure to comply will result in disciplinary action by the school. is an insubordinate act. You have five minutes to leave the school property.~~
