901 COMMUNITY EDUCATION

I. PURPOSE

The purpose of this policy is to convey to employees and to the general public the important role of community education within the school district.

II. GENERAL STATEMENT OF POLICY

The Board of Education recognizes that a comprehensive Community Education Program brings together and coordinates the resources of organizations, agencies and groups in the community and promotes efficient use of school and community personnel, buildings and equipment. A Community Education Program shall be implemented, subject to compliance with state regulations and guidelines.

- A. Maximum use should be made of public school facilities within the school district service area.
- B. Educational needs and interest of area residents should be determined periodically.
- C. Community resources and expertise of residents should be utilized to develop a vibrant, well-rounded community education program.
- D. Area residents should be encouraged to actively participate in program opportunities.

III. COMMUNITY EDUCATION ADVISORY COUNCIL

- A. The council shall assist in promoting the goals and objectives of the program.
- B. The membership of the community education advisory council shall represent a cross section of the community.
- C. Bylaws of the community education advisory council shall provide the framework for the organization including criteria pertaining to membership, officers' duties, frequency and structure of meetings and such other matters as deemed necessary and appropriate.
