Scheduling Resources

If you're not sure what to schedule:

- Utilize the scheduling tools on the CHS Guidance website.
- Consult the Scheduling Packet.
- Read descriptions in the Course of Studies.
- Talk to your teachers.
- Talk to friends who have taken the classes.

Make thoughtful choices in your electives that align with your interests or a possible career field.

CHS Guidance

Guidance Offices are located in each unit. The Guidance Counselors encourage students to make use of its services. These may include personal counseling, career planning, academic concerns and post-high school planning.

Counselors are available during regular school hours and usually after school by appointment. To see your counselor, make an appointment personally. Many times you will be able to drop in between classes or during your lunch period or study hall. From time to time, you will be called to the guidance office to see if your counselor may be of assistance to you. Each counselor meets with his or her students each year. These sessions are either group or individual contacts. The Guidance Department attempts to create an open door atmosphere for both students and faculty.

The Guidance Department offers the following resources:

- **Scheduling & Extracurricular Activities**
- **Naviance & College/Career Planning**
- **Standardized Testing**
- **Health & Wellness**
- **College Credit Plus**
- **Scholarships**
