I have been advised of the Troy City Schools' Policies and Procedures pertaining to the College Credit Plus Program and my responsibilities for participation. The signatures below attest to fact that we have attended the required College Credit Plus meeting and have received counseling services in the following areas:

1. I understand my rights and responsibilities regarding my financial obligations.
  - a. I will be financially responsible for any course I do not pass.
  - b. Classes must be non-remedial and non-sectarian, all others, I am financially responsible for.
2. No high school graduation requirement may be waived for any students participating in this program. **All college work taken for high school credit must be completed and grades reported to the high school counselor if the student wishes to participate in the high school graduation ceremony.**

3. I understand that Troy High School does not guarantee that other colleges and/or universities will accept CCP classes.

5. I understand that classes successfully completed via CCP will count towards my Ohio High School Graduation Requirements at Troy High School. And, by successfully completing a course under the program, I have the ability to reduce the overall costs of, and the amount of time required for, a college education.
