Also watching movies for inside recess does not feel good to me. I would also like more chances to be outside and get fresh air. 62	I would like to have more time outside.	9/22/2022 10:52 AM
63	I would like education on minority groups. The amount of bullying and repeated harassment I face almost daily at school is beginning to get out of hand. The way I see it, the culprit of this is poor education on minority groups, specifically LGBTQ and transgender issues and religions OTHER than Christianity. I have been called slurs by random people in the halls, I have faced repeated harassment from certain people / groups of people. I have heard people making fun of people with hijabs, and I have heard white people say the N word apologetically. I am no longer feeling safe in this educational district and building. I live in fear of hate crime when I come to school. This needs to change.	9/22/2022 10:52 AM

75	i think kids should be able to pick at least one of their classes because having no classes of your choice makes your day unenjoyable without doing what you want with who u want. It also gives more control to us over our schedule.	9/22/2022 10:49 AM

How to manage money, income, taxes, loans and mortgages along with the interest rates & percentages. How to write proper sentences and punctuation. What is a pronoun?? Hmm.. not too sure but I spent most of my 9th grade year learning about Greek God's. I'm sure that'll help me tremendously in life! Um. No. Where is the education going? More to Equality or Mental health or Sports? How to accept everyone? This is something that should be learned or taught at home. I'm not interested in this as my school education. Where is education going?? Please consider.	9/17/2022 4:18 PM

982	I don't know if anything is missing or how you can change it, but many of the kids are unkind about the LGBTQ+ community, meaning they can be very unwelcoming and use slurs, and as a female I have faced sexism not only in students but in staff. I also learn about different choices of school such as full-time PSEO where I can have my generals done by the time I graduate until it is too late.	9/13/2022 6:55 PM

997	Teachers have planned inclusive, varied, and fun lessons that cover many topics.	9/13/2022 2:32 PM
998	Lunch needs to be longer especially for students who have the open campus privilege. If you choose to go to a restaurant that requires crossing Grand Ave you have no control of how quickly you'll be allowed to cross the street. I've waited on that corner for as long as 10 minutes before which almost made me late for my class but if I left earlier I wouldn't have been able to eat my lunch. I think that we should have our WIN time added to our lunch like we did in the 2020-2021 school year (when we could finally come back) WIN is pointless as it is (seeing as 30 minutes is barely enough time to get anything beneficial done especially if you need help from a certain teacher and then you have the hassle of trying to get the help) and those 30 minutes would be much better served as extra lunch time for Juniors and Seniors who've earned the privilege of having open campus.	9/13/2022 2:18 PM
999	idk	9/13/2022 2:17 PM
