

Tustin Connect

2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Contact Information

School Name	Tustin Connect
Street	1151 San Juan St.
City, State, Zip	Tustin, CA 92780
Phone Number	(714) 430-2052
Principal	Erick Fineberg
Email Address	efineberg@tustin.k12.ca.us
School Website	https://www.tustin.k12.ca.us/tustin-connect
County-District-School (CDS) Code	30-73643-3030590

2022-23 District Contact Information

District Name	Tustin Unified School District
Phone Number	(714) 730-7301
Superintendent	Mark Johnson, Ed.D.
Email Address	mjohnson@tustin.k12.ca.us
District Website Address	https://www.tustin.k12.ca.us/

2022-23 School Overview

Tustin Connect is a public, TK-12 independent study school, located in the Tustin Unified School District. The Tustin Connect TK-8 campus is housed as a satellite site adjacent to the Estock Elementary campus and the Tustin Connect High School is located at the Educational Support Center. Tustin Connect is a school of choice, and students may be referred by counselors throughout Tustin Unified and neighboring communities and by parent request. Tustin Connect students are taught by a credentialed teacher and meet at least once a week for instruction, feedback, assignments, and testing.

Tustin Connect caters to the needs of many different types of students. Some of these students include home-schooled students, elite athletes, musicians, actors, gifted children, students with health conditions that limit their ability to attend school regularly, and other students and families that want a more personalized and flexible learning environment. Enrollment at Tustin Connect is over 300 students as of the fall of the 2022-2023 school year. Enrollment figures have trended upwards and continued growth is anticipated. Students have many opportunities to participate in clubs, sports, or activities at another TUSD Comprehensive high school. They can also dual enroll at their resident TUSD high school or local community college. Each student's learning plan is personalized to meet their needs.

The school's mission is to provide students with a flexible, yet rigorous, alternative education solution within a caring community that cultivates success, resilience, and advocacy for themselves and others.

Tustin Connect has the following site goals in the School Plan for Student Achievement:

Engaging Students: By Spring 2023, all 3- 12 students will collectively average 95% (baseline is 92.5%) of students rating 3 or higher as measured by the Annual Evaluation Report as well as a 95.5% graduation rate (baseline is 94.8%) as measured by the CA Dashboard.

Pupil Learning Outcomes: By Spring 2023, student performance in ELA and math at the high school and K-8 schools will meet or exceed standards by 15% from their baseline levels in the following subgroups: overall, EL, SED in ELA and Math as measured by the STAR assessment 3-8 and CAASPP 11th grade.

2022-23 School Overview

Tustin Connect teachers, students, families, and staff believe that when you change the setting, you change the story and thrive. Our site goal is to improve student achievement overall in both English Language Arts and Math with a specific target of the Hispanic/Latino and Socio-Economically disadvantaged subgroups. We will utilize CAASPP, STAR testing and interim and summative assessments along with ongoing formative assessments as progress indicators, and these indicators are monitored several times during the year.

About this School

2021-22 Student Enrollment by Grade Level

Grade Level	Number of Students
Kindergarten	20
Grade 1	27
Grade 2	30
Grade 3	23
Grade 4	35
Grade 5	33
Grade 6	26
Grade 7	24
Grade 8	29
Grade 9	25
Grade 10	47
Grade 11	54
Grade 12	71
Total Enrollment	444

2021-22 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	53.6
Male	45.9
American Indian or Alaska Native	0.7
Asian	17.1
Black or African American	4.1
Filipino	3.4
Hispanic or Latino	35.4
Native Hawaiian or Pacific Islander	0.2
Two or More Races	9.7
White	28.4
English Learners	8.8
Foster Youth	0.9
Homeless	1.8
Migrant	0.0
Socioeconomically Disadvantaged	33.8
Students with Disabilities	4.5

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	7.00	65.00	757.60	88.24	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	1.90	0.22	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0.00	0.00	31.20	3.64	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	3.70	34.26	11.00	1.28	12115.80	4.41
Unknown	0.00	0.65	56.70	6.61	18854.30	6.86
Total Teaching Positions	10.80	100.00	858.60	100.00	274759.10	100.00

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown						
Total Teaching Positions						

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	
Misassignments	0.00	
Vacant Positions	0.00	
Total Teachers Without Credentials and Misassignments	0.00	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	
Local Assignment Options	3.70	
Total Out-of-Field Teachers	3.70	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

2021-22 Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0.00	
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0.00	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Tustin Unified School District sets a high priority on ensuring that high-quality, standards-based textbooks and materials are available for every student to support instructional programs in the schools. Prior to adoption, the Tustin Unified School District conducts a thorough review of its curriculum to ensure that it is aligned with the California Standards for the Common Core.

District K-8 textbooks in the subjects of English language arts, mathematics, history/social science, health, foreign language, visual and performing arts, and science have been adopted from those approved by the State Board of Education. The Tustin Unified School District Board of Education has adopted district textbooks in the subjects listed below. K-12 textbooks for mathematics, history/social science, science, English language arts (including reading), and foreign language are aligned with state-adopted content standards and state or national frameworks. All TUSD students, including all English learners, have textbooks* and instructional materials, including science laboratory equipment at the 9-12 level, that are current and in good condition in accordance with Education Code requirements. All textbooks* and instructional materials are provided in sufficient quantities for each student for use in class and to access from home.

On September 12, 2022, the Tustin Unified School District Board of Education verified by resolution that each student at this school has a textbook and/or instructional materials for each core subject area that are aligned to the content and cycles of the curriculum framework adopted by the State of California.

*textbooks may be digital or hard copy depending on the textbook and adoption cycle

Year and month in which the data were collected

November 2022

School Facility Conditions and Planned Improvements

The Tustin Unified School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction (OPSC). The results of this survey are available at the school office, the District office, or on the Internet at <https://tinyurl.com/TUSD-Facility-Inspection-Tool>. The District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Tustin Connect K-8 is a satellite campus adjacent to the Estock Elementary School campus and Tustin Connect High School is located at the Educational Support Center campus. There are 9 classrooms in the TK-12 program across both campuses. All Tustin Connect classrooms are equipped with the same technology and resources that all TUSD classrooms have, SMARTBoard/television displays, 1:1 student devices in grades K-12, and low teacher-to-student ratios with personalized learning opportunities across all grade levels. The high school site created a quad area including tables with umbrellas, corn hole, ping pong, and foosball table at the 9-12 site. The K-8 site was repainted to reflect the school colors and the school core values and Behavior Matrix are posted on each of the classroom doors. The facilities will be inspected yearly. Additional information about the condition of the school's facilities may be obtained by speaking with the school principal.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	72	N/A	59	N/A	47
Mathematics (grades 3-8 and 11)	N/A	48	N/A	47	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	255	214	83.92	16.08	71.83
Female	146	118	80.82	19.18	75.21

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	255	213	83.53	16.47	48.36
Female	146	118	80.82	19.18	46.61
Male	108	95	87.96	12.04	50.53
American Indian or Alaska Native	--	--	--	--	--
Asian	48	43	89.58	10.42	83.72
Black or African American	--	--	--	--	--
Filipino	--	--	--	--	--
Hispanic or Latino	86	75	87.21	12.79	33.33
Native Hawaiian or Pacific Islander	0	0	0.00	0.00	0.00
Two or More Races	22	20	90.91	9.09	50.00

Students with Disabilities	17	12	70.59	29.41	41.67

2021-22 Career Technical Education Programs

Tustin Unified School District provides students with rigorous, real-world learning opportunities that extend and apply their knowledge and skills beyond high school, supporting educational goals and career aspirations. The combination of engaging academics, Career Technical Education (CTE), early college credit opportunities, and a variety of real-world experiences support all students in becoming college and career ready. Tustin Unified has an extensive list of CTE committee members including staff and students from Tustin Connect, TUSD district-level administrators, parents, and representatives from marketing, HR, engineering, environmental, health, manufacturing, graphic design, film, and business development industries.

Tustin Connect is a small independent study school and most CTE pathways and opportunities are available via outside opportunities, through other TUSD comprehensive high schools, local community colleges, and Coastline ROP. For the 2022-23 school year, Tustin Connect added a Medical Terminology CTE initial course on its way to a Mental and Behavioral Pathway. The initial class provides a foundation for success in the healthcare field by introducing students to medical terms and abbreviations used in various health careers. In addition, the flexible nature of independent study allows students to procure valuable work experience through part-time employment. Tustin Connect students meet with their guidance counselor upon enrollment and are encouraged to enroll in either in house or outside CTE opportunities. With the introduction of the Behavior and Mental Health Pathway at TC, students now have on-site and dual enrollment CTE course offerings. Over the course of the current year and moving forward, we will have measurable outcomes to evaluate or measure the number of students who are participating in CTE courses or opportunities. As part of the 2021 WASC visit and the ongoing efforts of the Tustin Connect administration and staff, Tustin Connect has made great inroads with CTE pathway course offerings as progress is being made to make more students College and Career ready.

2021-22 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	54
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2021-22 Pupils Enrolled in Courses Required for UC/CSU Admission	99.51
2020-21 Graduates Who Completed All Courses Required for UC/CSU Admission	52.54

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 5	100%	100%	100%	100%	100%
Grade 7	90.0%	90.0%	90.0%	87.5%	90.0%
Grade 9	71.4%	71.4%	74.3%	71.4%	74.3%

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Tustin Unified School District values our parents and community. We believe that parental engagement is integral to student success and one of our goals is to continuously increase parental involvement in our schools. In TUSD, parents receive regular school-specific emails from a Parent Square listserv that provides information on district and school-wide updates and events, available resources, training, opportunities, etc.

In addition to district-wide efforts, our school believes that parent involvement drives the daily learning for all students. As an Independent Study school, the partnership between school and home is critical. Parents and credentialed teachers work together to review the core program, academic support, and supplemental learning opportunities available to students. Annually, parents have the opportunity to meet with their child's teacher or counselor (HS) and work together in the development of the student's educational plan and goal setting at the beginning of each school year. Parents, students, and teachers meet at the beginning of each year for a Master Agreement to lay out the expectations for participation in the program as well as provide support to students and families. Students meet a minimum of once a week with their Advisory Teacher to work through academic as well as SEL questions. Additionally, parents always have the opportunity to communicate with the administrative team, teachers, counselors, and other school support staff when the need arises.

All parents have the opportunity to be on our School Site Council or to attend the meetings. School Site Council members are elected for a two-year term and meet a minimum of four times per year. The function of the School Site Council is two-fold: to provide feedback and advice to the School Plan for Student Achievement, as well as suggestions and ideas for improving the school's educational programs; and to uphold the mission of the school and contribute to the success of the school. Parents of EL students have access to our TUSD Office of Language Acquisition, site-based ELAC, and district DELAC committees to learn about the EL Program and the comprehensive support available to EL families. Parents of ELs are able to provide input into decisions related to English language acquisition at the ELAC and DELAC meetings.

2022-23 Opportunities for Parental Involvement

For Special Education students, there is ongoing parental collaboration and support provided to the parent to ensure that their student's needs are met as part of the Individualized Education Program. Parents have access to special education support providers as well as special education department administration.

Parents at Tustin Connect School participate in activities such as monthly Principal/Counselor Coffees with topics identified from the quarterly Needs Assessment completed by parents, students, and teachers. There is also a weekly Newsletter and Mental Health Website that is site specific to address the unique structure and needs of the Tustin Connect program. Tustin Connect's counselor completes a series of classes for each grade level that focuses on specific executive functioning skills that are critical to maximizing students learning. There are also small group opportunities for students throughout the school year.

For more information on how to become involved at the school, please contact Kerri Alpay in our school office at (714) 430 - 2052 where the office staff can connect you with our PTA, counselor, or other support. Also, check out the school website at www.tustin.k12.ca.us/tustin-connect where you can find the most up-to-date information.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2019-20	School 2020-21	School 2021-22	District 2019-20	District 2020-21	District 2021-22	State 2019-20	State 2020-21	State 2021-22
Dropout Rate		14.3	2.2		2.9	2.3		8.9	7.8
Graduation Rate		81.6	95.5		94.5	96.3		84.2	87

2021-22 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2021-22 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate
All Students	89	85	95.5
Female	45	43	95.6
Male	43	41	95.3
American Indian or Alaska Native	--	--	--

Students Receiving Migrant Education Services	0	0	0	0.0
Students with Disabilities	41	39	13	33.3

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.00	0.93	2.45
Expulsions	0.00	0.07	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
Suspensions	0.00	0.00	0.10	2.01	0.20	3.17
Expulsions	0.00	0.00	0.00	0.07	0.00	0.07

2021-22 Suspensions and Expulsions by Student Group

Student Group	Suspensions Rate	Expulsions Rate
All Students	0.00	0.00
Female	0.00	0.00
Male	0.00	0.00
American Indian or Alaska Native	0.00	0.00
Asian	0.00	0.00
Black or African American	0.00	0.00
Filipino	0.00	0.00
Hispanic or Latino	0.00	0.00
Native Hawaiian or Pacific Islander	0.00	0.00

Students with Disabilities	0.00	0.00

2022-23 School Safety Plan

Date Last Reviewed by School Site Council (SSC): 11/18/2022
 Date Updated and Approved by SSC: 11/18/2022
 Date Discussed by Staff: 10/09/2022

Our School Safety Plan includes the following elements: Child abuse reporting procedures, disaster procedures, attestation plan for COVID-19, routine and emergency; suspension, expulsion, or mandatory expulsion recommendations; procedures to notify teachers of dangerous pupils; discrimination/harassment policy; provisions of any school-wide dress code; procedures for safe ingress and egress; safe and orderly environment; rules and procedures on school discipline and dress code; hate crime reporting; school safety goals and objectives. We run monthly drills and work closely with our Student Services department to ensure that we have updated procedures and practices in place to ensure school-wide safety.

At Tustin Connect we also have a School Safety Committee that annually updates the School Safety Plan, and runs annual school safety drills for all students and staff. The committee is made up of administrators, certificated and classified staff, and may include parents or students.

Additionally, during the 2022-23 school year, all TUSD schools and district departments participated in a training called Knowledge Saves Lives, which prepares schools for Active Shooters or various safety situations that may arise.

D. Other SARC Information Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2019-20 Elementary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K				
1				
2				
3				
4				
5				
6	7	6		
Other	34			1

2020-21 Elementary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	22		1	
1	8	2		
2	20	1		
3	18	1		
4	13	2		
5	19	1		
6	11	10		

2021-22 Elementary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	20	1		
1	27		1	
2	30		1	
3	23		1	
4	35			1
5	33			
6	14	9	3	

2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	22	2	4	
Mathematics	17	5	1	
Science	14	7	1	1
Social Science	19	5	2	

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	16	10	2	1
Mathematics	11	10	1	1
Science	18	7	2	1
Social Science	22	7	2	3

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	22	8	1	3
Mathematics	18	6	3	2
Science	23	3	6	1
Social Science	20	9	2	3

2021-22 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	444

2021-22 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	1.0
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	1.0

2020-21 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2020-21 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$10,809	\$3,123	\$8,123	\$82,408
District	N/A	N/A	7,840	\$91,764
Percent Difference - School Site and District	N/A	N/A	3.5	-10.7
State	N/A	N/A	\$6,594	\$85,368
Percent Difference - School Site and State	N/A	N/A	20.8	-3.5

2021-22 Types of Services Funded

In addition to base per pupil funding, Tustin Connect receives ESSER III, LCFF-EL, and site supplemental funds to support all students and student subgroups in academic achievement. The Tustin Public Schools Foundation and site PTO/PTA also supports the school with donations and financial support throughout the year to enhance school-wide programs and events for students.

The school's School Plan for Student Achievement (SPSA) identifies student needs and addresses specifically how these categorical funds will support student learning and achievement through a Multi-Tiered System of Support. The allocated funds are used to provide tiered and targeted supports or interventions for unduplicated students in the areas of academics, behavior and social-emotional learning, absenteeism, professional development, instructional materials, additional personnel to support all students in accessing academic standards, and technology resources.

Students are administered local assessments three times per year, and more often if at-risk and being monitored for progress. Within the MTSS model, students scoring two or more grade levels below their current grade level on any standard were eligible for intervention and targeted academic support. Our intervention students are provided class-based or small-group intervention sessions which target their specific performance level, focusing on ELA or Math standards. In addition, using ESSER and categorical instructional funds, our students and their teachers have a variety of supplemental print and online intervention curriculum options to choose from.

Some of these district and school-wide programs include Lexia, Freckle, Lexia English, eDynamics, Florida Virtual content, Actively Learn, Mystery Science, Learning A-Z, Raz Kids, and Spanish novels.

Please refer to our district LCAP or School Site Plan for Student Achievement, which is posted on our website, for a more detailed list of goals and actions that the school currently funds.

Students may also participate in courses and extracurricular activities at their home school of residence. Students who choose to engage in Independent Study have equality of rights and privileges with students in the regular school program. Tustin Connect uses supplemental LCFF funding to assist with purchasing instructional materials and supplies, additional support staff, and the testing of our most at-risk and EL students.

2020-21 Teacher and Administrative Salaries

This table displays the 2020-21 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$53,195	\$51,081
Mid-Range Teacher Salary	\$85,813	\$77,514
Highest Teacher Salary	\$114,221	\$105,764
Average Principal Salary (Elementary)	\$140,633	\$133,421
Average Principal Salary (Middle)	\$149,232	\$138,594
Average Principal Salary (High)	\$166,315	\$153,392
Superintendent Salary	\$356,744	\$298,377
Percent of Budget for Teacher Salaries	35%	32%
Percent of Budget for Administrative Salaries	5%	5%

2021-22 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses	0
--	---

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	0
English	0
Fine and Performing Arts	0
Foreign Language	0
Mathematics	0
Science	0
Social Science	0
Total AP Courses Offered Where there are student course enrollments of at least one student.	0

Professional Development

Tustin Unified School District provides dedicated time for professional development for all staff. The comprehensive training takes place before the school year starts, providing teachers with current best practices and opportunities for collaboration around instruction/curriculum for the upcoming year with site and district colleagues. An all-district professional development day is also provided on a non-student day in the fall, focusing on any current instructional or organizational professional learning needs at the time.

Schools also provide professional development opportunities based on school-wide student needs driven by an analysis of student data and funded by site categorical or supplemental allocations. Staff development opportunities can take place before, during, or after school and by release time throughout the school year. All new teachers engage in the Induction Program through OCDE, which provides new teachers with ongoing support through the first two years of teaching.

The Tustin Connect staff participates in ongoing professional development aligned to our students' needs' available throughout the year from district coaches and during staff meetings. Staff members also attend regional conferences and district workshops and training annually. The Tustin Connect staff also meets twice a month as a PLC to discuss best practices and student data and once a month for professional development. At the high school level, teachers receive training in Rigorous Curriculum Design that works with teacher teams to systemically evaluate the curriculum in providing common Tier 1, skills-based instruction to all students. Standards-based & skills-based instruction through the content as the vehicle. Assessments that are based on learning targets & success criteria. Instruction that provides student voice & choice. Students read, write, speak, listen, and think with protected time to practice skills with teacher support and feedback. Teacher clarity with skills, criteria/targets, assessments, and resources all turn out to be a guarantee of what each student will walk out with. Additionally, paraprofessionals attend staff/PD meetings and training to support small group instruction and training.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2020-21	2021-22	2022-23
Number of school days dedicated to Staff Development and Continuous Improvement	11	11	11
