## A LETTER FROM THE CAMP DIRECTORS

Dear Summer Camp Families,

As New City School's Summer Camp co-directors, summer is our favorite time at school. We are excited just thinking about the first day of camp on June 10th, which will be here before you know it!

We have eight weeks of summer fun planned for our campers—whether your child is a current New City student or if this will be your first time through our big red doors, we are excited to welcome all of our new and returning campers for a summer of **JOYFUL LEARNING AND JOYFUL PLAY!** We promise that your camper will have an exciting time learning new things, pursuing your passions and interests, meeting new friends or perhaps rekindling old friendships at one of our many innovative and fun summer camp options.

As you browse through this year's camp listings, look at the fun session themes for our Chameleon, Adventure and Explorer Camps. This summer, we're excited to introduce new half-day Specialty Camps in addition to our full day offerings!

Our highly qualified counselors are New City School teachers, other area teachers, current college students, and seasoned NCS staff, assisted by well-trained Junior Counselors, many of whom grew up with us as campers themselves. Lots of fun and a great camp experience will be had by **ALL!**

### COME AND SPEND THE SUMMER WITH US!

Happy Camping,
