7. From the next screen, you may select the type of report you'd like to generate such as INDIVIDUAL STUDENT REPORT or STUDENT DATA FILE, in addition to PRINT and OUTPUT Options. Once you make your selections, click NEXT.

The screenshot shows the 'Student Results Generator' interface. On the left, the 'Report Type' section has 'Student Data' selected. Under 'Print Options', 'XLS' is selected for the 'Report Format' and 'Data File for Each Test' is selected for the 'Output'. The main area is titled 'Select a test reason.' and lists several options: '2022', 'Window 1', 'Window 2', 'Window 3', 'STAAR EOC December 2022' (which is selected and has a red checkmark), 'OER 2022-2023', 'Through-year Opportunity 1', and 'Unassigned'. A 'Next' button is visible on the right. A search bar at the top right is labeled 'Search by Student ID'.

8. Select All or some assessments by clicking in tiny boxes to the left of assessment titles, and click NEXT.

The screenshot shows the 'Select the assessments.' screen. It features a list of subjects and assessments. Under 'ELA', 'Grade EOC' is expanded to show 'December 2022 STAAR English I' and 'December 2022 STAAR English II', both of which are checked. Under 'Mathematics', 'Grade EOC' is expanded to show 'December 2022 STAAR Algebra I', which is unchecked. A 'Next' button is circled in yellow in the top right corner.

9. Select ALL STUDENTS and click GENERATE.

The screenshot shows the 'Select the students.' screen. The 'All Students' option is selected and circled in red. Below it, '(Students Not In Any Roster)' is also selected. At the bottom left, a red arrow points to the 'Generate' button.

10. Your report will be made available in the INBOX.

11. Once you click the INBOX, the reports will be downloaded to your computer.
