

Dear Parents,

January 4, 2023

The Amanda-Clearcreek sixth grade will soon have the opportunity to participate in an overnight outdoor education program. We will be taking part in a course called Nature's Classroom and be attending the Ohio FFA Camp Muskingum located in Carrollton, Ohio. The scheduled dates for the trip are Wednesday, May 10th through Friday, May 12th and the cost per child will be \$165.00, this includes the cost for camp as well as the bus cost. We will be doing a small fundraiser coming up to help assist with cost, but would like to strongly encourage every sixth grader to attend the class trip.

This is a once in a lifetime educational experience that we would like all students to be a part of, but ALL school fees must be paid in order to attend. Starting the second semester, Wednesday, January 4th, any students who earn two after-school detentions (*please note that infraction count for an assigned detention drops to 8 starting second semester), an in/out-of-school suspension or have 5 unexcused absences will also be excluded from this trip, but given an alternate assignment to do in place of attending outdoor school. Any sixth graders in danger of failing for the year, in any class as of interim time of the 4th nine weeks, may NOT be permitted to go on the field trip. Students who choose not to go on the trip will stay back with an alternate assignment to complete as well in place of attending camp. With this being said, we still hope to have all students attend, as it would be a great way to end a fun school year with your child.

As the year progresses, we will be providing each of you with more information in regards to our overnight outdoor education program. If you have any questions or concerns before that point in time, please do not hesitate to contact Kari Blanchard at the school.

Sincerely,

A-C Sixth Grade Staff
