

2022-2023 Washington, D.C. Field Trip Behavior Plan

This plan will go into effect at the start of the 2nd Quarter (Monday, October 17, 2022) until the day we leave for the trip.

2022-2023 Academics

A student must be considered passing in ALL classes, including electives. Passing is defined as having 4 quality points for the school year with 2 of those points being earned in the 2nd semester (3rd and 4th Quarter).

Academics will be evaluated at the interim mark in the 4th Quarter.

No exceptions to the academic plan will be considered.

2022-2023 Discipline

No more than 2 Wednesday Night Schools (after-school detentions)

No in-school discipline

No out-of-school discipline

No exceptions to the behavior plan will be considered.

If your student does not meet these expectations, you will receive a full refund from WorldStrides.

We are representing our community, Amanda-Clearcreek, at our Nation's Capital. Negative behavior will not be tolerated. This is an earned trip that is a privilege to attend.
