

STAFF HEALTH

All school personnel will be required to submit a physical examination as set forth in state law (RSA 200:36 and RSA 200:37) and as provided for in the negotiated agreements with the Governor Wentworth Regional School Board. Any person who objects to all or part of any medical examination because of religious beliefs shall be exempt from said examination, except that no such exemption shall be granted if state or local authorities determine that such exemption would constitute a hazard to the health of persons exposed to the unexamined individual.

The Superintendent may request a medical examination for any employee if at any time the Superintendent has reason to believe that the employee's physical or mental health may be inimical to the welfare of the pupils or other employees. The cost of such examination will be borne by the District.
