

Dear Orono Schumann and Intermediate School parents and guardians:

Here is some important information regarding drop-off and pick-up procedures, as well as detailed information on the CarRider Pro system.

General drop-off and pick-up announcements

Student hours are 9:10 am – 3:40 pm:

- Any parent/guardian may drop off children at Schumann Elementary’s designated drop off location (see directions and map on back); or the Intermediate School’s front or back loop; however, children cannot be dropped off before 8:55 a.m.
- Students arriving after 9:10 am must obtain a tardy pass from their school office.

Orono Schools utilizes CarRider Pro, an automated management system for streamlining safe dismissal of students to the pickup line at the end of the school day. This system is in place at Orono Schumann Elementary and Orono Intermediate School.

How CarRiderPro works

If you are transporting your child(ren) after school by private vehicle this year, notify your child(ren’s) school office to receive a numbered hangtag to display from your rearview mirror. The hangtag contains an RFID chip, which will be read by a sensor as you drive past the blue CarRider box. The system will alert staff in staging areas or classrooms to release your child(ren) to the pickup area. Students will be released in the same order in which parents/guardians arrive.

IMPORTANT NOTES:

****You will re-use this hangtag every year when picking up your child(ren) - keep it in a safe location & do not discard it!****

- If your children are enrolled at Orono Schumann Elementary only, you will pick up your child(ren) at the Schumann Elementary pick-up location
- If you have children enrolled at both Orono Schumann Elementary *and* Orono Intermediate School, students with last names beginning with the letters A-L will be picked up in the Schumann CarRider line (see map on back.) Students with last names beginning with the letters M-Z will be picked up in the Intermediate School back loop, using the Wayzata Blvd. entrance that leads to the cul-de-sac behind Orono Intermediate School (see map on back.)
- If your children are enrolled at Orono Intermediate School only, you will pick up your child(ren) in the Intermediate School back loop, using the Wayzata Blvd. entrance that leads to the cul-de-sac behind Orono Intermediate School.

Action steps for parents/guardians

1. Place your hangtag in your car, in full view, with the tag number facing the windshield so school staff members can see it.
2. If you arrive at school without the hangtag in your car, please call your child’s school office.
1. Please email any daily or permanent changes to your child(ren)’s after school transportation schedule to your child(ren)’s teacher, and copy Jeanine Weisbeck for students attending Orono Schumann Elementary, and/or Melissa Thompson for student attending Orono Intermediate School.

Ordering additional hangtags

Orono Schools will provide one free hangtag. Additional hangtags may be purchased for \$5.00 through [MyPaymentsPlus](#).

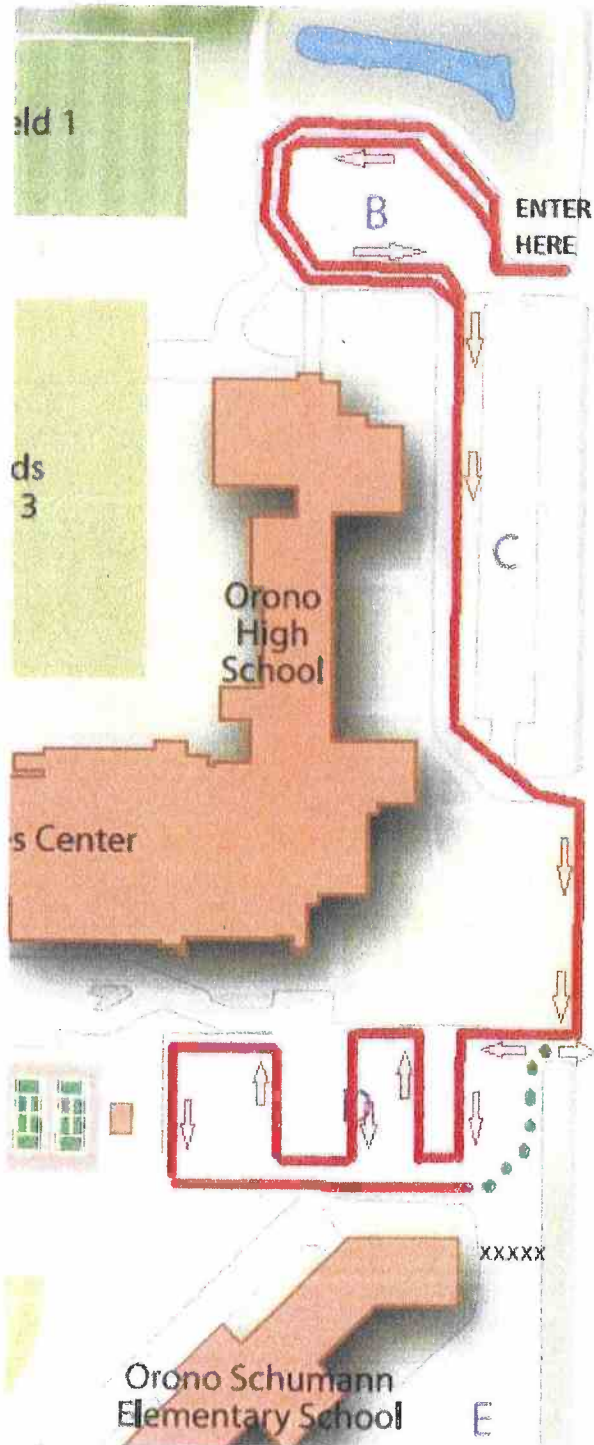

More information

If you would like to have a better understanding about CarRider Pro and how it works, please visit the company website at www.carriderpro.com or watch a short video at <https://youtu.be/DcLh3R6Se9k> or by clicking [here](#).

SCHUMANN ELEMENTARY UPDATED TRAFFIC PATTERN PICKUP AND DROP OFF

For Schumann Elementary Pick Up or Drop Off, please enter at the NORTH INTERSECTION of Orono High School and follow the red lines.

You will stack in two lanes in lot B, then merge into a single lane in front of the high school. Please stay to the left in front of the high school.

As you exit the high school drop-off lane (by lot C), stay in the right turn lane and take the first right into lot D (high school south lot).

Follow the cones or striped line to snake through the lot toward the tennis courts.

Pick up and drop off will occur 12 vehicles at a time. Please exit to the left.

If your child is delayed, we will ask you to pull into marked parking spots to wait until we can bring your child to you.

Old Crystal Bay Road

ORONO INTERMEDIATE

Drop Off

Enter off of Wayzata Blvd (athletic area access road) and take your first right towards the maintenance buildings. Proceed toward the cul-de-sac into one of the 12 marked spots or wait until directed to pull up. All 12 vehicles should drop their children at the same time, then exit together as a group. Please wait until all 12 vehicles exit. When directed, pull all the way forward to the next open spot, then drop off your children.

Exit by returning down the road past the maintenance buildings and either go left to get back to Wayzata Blvd. or right towards the activities center and high school lot.

Pickup

Enter off of Wayzata Blvd (athletic area access road) and take your first right towards the maintenance buildings. Proceed towards the cul-de-sac. As you enter, Car Rider Pro will scan your hang tag, alerting staff you are here and listing your vehicle's location in the queue. Pull into one of the 12 marked spots for pickup or wait until directed to move forward. All 12 vehicles in the pickup row will load simultaneously, then leave as a group. This prevents cars from pulling out and creating safety issues. The next 12 vehicles will be directed to pull up into the pickup spots. Please pull all the way up to the next open spot.

Exit by returning down the road past the maintenance buildings and either go left to get back to Wayzata Blvd. or right towards the activities center and high school lot.
