OLD BUSINESS

FINANCIAL REPORT (*Krista Zubke*)

Krista is trying to get clarification on finances. She will soon have access to a spread sheet to cross reference transactions.

CONCESSIONS (*Al Romportal*)

Sign-ups are going well. Parents of younger students are doing a great job of helping with concessions. We've had some very profitable games for concessions so far this year. Al is still having some troubles getting certain candy.

EQUIPMENT UPDATE (*Joe Ackermann*)

We have the rebound machine and the parts, but it will not be repaired until summer.

FACILITIES UPDATE (*Joe Ackermann*)

Ross is planning to get moving on the facilities plan now that the holidays are over. Many parents would like to help update the facilities not only outside, but inside the building. Ross has toured other schools in the state who have done similar improvements. Ross also met with the Community Foundation about writing grants and help to meet our fundraising goals.
