

Our VISION

To inspire and empower every child, every day.

Our MISSION

To be the best school district in the state that prepares every child to be a successful global citizen by providing innovative, rigorous programs set within a culture of belonging.

Our VALUES

EXCELLENCE - We believe all children deserve support on their own unique journey to excellence.

Character - Every child is expected to be hardworking, respectful, honest, and kind.

Confidence - Every child is encouraged to be courageous, take chances, and follow their dreams.

Culture - Every child belongs, matters, and will be provided an environment in which to succeed.

Curiosity - Every child is given opportunities to wonder, explore, and create every day.

Our GOALS

Academic Excellence	Innovation	Fiscal Responsibility	Learning Environment	Community Engagement
<i>We will provide every child with a high-quality education that is personalized and responsive to their unique learning needs.</i>	<i>We will develop and adopt practices and programs that encourage children to remain curious, take chances, and learn from failure.</i>	<i>We will efficiently and transparently align human, financial, and physical resources to support effective, innovative, educational programs and facilities.</i>	<i>We will ensure an inclusive community and culture where everyone is safe, valued, respected, and finds a sense of belonging.</i>	<i>We will foster relationships with parents, caregivers, and our community built on mutual respect, collaboration, communication, and our shared commitment to student success.</i>
Objectives	Objectives	Objectives	Objectives	Objectives
<ul style="list-style-type: none"> Establish growth targets for all students from preschool through graduation to learn and achieve at high levels. Expand systems to support growth at each student's individual pace of learning. Promote professional development opportunities to cultivate a highly trained, highly-motivated instructional staff. 	<ul style="list-style-type: none"> Transform the mindsets of learners to inspire curiosity, creativity, and a sense of wonder. Foster a culture of risk-taking within learning communities. Empower educators to develop innovative student-centered practices. 	<ul style="list-style-type: none"> Share financial information that is easy to understand to promote transparency and accountability. Provide effective, efficient, and innovative service models for district-wide operational systems. Attract, develop, and retain a high-quality and diverse staff. 	<ul style="list-style-type: none"> Develop inclusive learning environments that are safe, innovative, equitable, flexible, and accessible for all types of learners. Create a district-wide culture where the well-being, social-emotional, and health needs of every student and staff member are prioritized. Optimize learning environments by building, maintaining, modernizing, and adapting facilities to meet the needs of every student, staff, and community member. 	<ul style="list-style-type: none"> Expand meaningful partnerships for parents, caregivers, and community members to positively impact student learning. Ensure district communications are clear, timely, accurate, and consistent. Support opportunities for every student, parent, caregiver, staff, and community member to have a voice to impact continuous growth and improvement.
