

SAN MATEO UNION HIGH SCHOOL DISTRICT PRESENTS

*8th Grade Parent/Guardian
Information Night for
Students Who Receive
Special Education Services*

Tuesday February 28, 2023 | 6 - 7:30 p.m.

San Mateo High School Library (Building B) | 506 N. Delaware Street, San Mateo

We are excited to meet you!

Please join us for a comprehensive overview of our services, support, and resources offered to students who receive Special Education Services through their Individualized Education Plans.

Superintendent Randall Booker will welcome you to SMUHSD and Holly Wade, Director of Special Education Services will provide an introduction to our schools and representatives from all campuses.

We know and recognize that the transition to high school can bring up many hopes, questions, and concerns. Our purpose is to provide information that will help you to prepare for the upcoming articulation IEP meetings later this spring.

Spanish interpretation will be provided. If you need ASL interpretation, please email Janette Iniguez at jiniguez@smuhsd.org.
