

North Clackamas School District

Report on Compliance with Public School Standards

2021-22 School Year

By November 1 of each year, school district superintendents are required by [OAR 581-022-2305: District Assurances of Compliance with Public School Standards](#) to report to their community on the district’s status with respect to all of the Standards for Public Elementary and Secondary Schools. The Standards are adopted by the State Board of Education and set out in Oregon Administrative Rules Chapter 581, Division 22.

The table below contains a summary of North Clackamas School District’s compliance with each of the requirements of Oregon’s administrative rules found in [DIVISION 22 - STANDARDS FOR PUBLIC ELEMENTARY AND SECONDARY SCHOOLS](#) during the 2021-22 school year. For each rule reported as out of compliance, North Clackamas School District has provided an explanation of why the school district was out of compliance and the school district’s proposed corrective action plan to come into compliance. The corrective action must be approved by ODE and completed by the district by the beginning of the 2023-24 school year.

| 581-022-2263 Physical Education Requirements *Middle Grades | Out of compliance | <p>Currently 6th grade has 166 of 180 minutes and 7th and 8th grade has 83 or 180 minutes for the 21-22 school year. There are three reasons why we do not comply with this requirement.</p> <ol style="list-style-type: none"> 1. Meeting the PE minutes would reduce core instructional minutes. 2. Current schedule would eliminate all elective offerings for students in regards to minutes. 3. We do not have enough facility space. <p>Like other districts, and a statewide problem, we do not have enough</p> | <p>We believe health, physical education, and physical activity are important and students need opportunities to move their bodies and get exercise throughout the day. Due to our middle school schedule, the renewal of the SIA and Integrated Programs process, and the upcoming budget season, we will connect with the community to communicate the focus of OAR 581-022-2263 while understanding the unintended consequences of using minutes as the measure of a healthy school day.</p> <p>School Year 2022-23</p> |

The above timeline addressed various foci as it looks at activity beyond the school day, during the school day, and within actual PE minutes. Regardless of staffing, budget, or facilities, we provide a way in which physical activity will be increased which we believe to be the intent of the law.</p> |
