100 Days of School!

Kindergarten and Pre-K celebrate BIG

Tuesday, January 24th was not just an ordinary day. Tuesday, January 24th was the 100th day of school!

Students celebrated with a full day of exploring the number 100 through counting, creating, building, crafting, manipulating, writing, and singing! The objective was to give them a sense of what the number 100 really looks like.

Each student was responsible for designing their own project using 100 items, and these amazing projects were then put on schoolwide display. At the end of the day votes were tallied for the kindergarteners and winners were chosen in each classroom. Even though ALL projects are winners, the 3 to receive the most votes were awarded ribbons and prizes!

Check out our school Facebook page, "TRES School Information" for photos of all projects and activities! 😊
