Tech Raffle - Second Turn in is Tomorrow

Our second turn in is tomorrow. Please return the raffle pouches with any sold tickets and money.

Our goal is \$15,000 and we raised \$3,110 with the first turn in. Parents, thank you so much for helping your child sell raffle tickets. 1st Graders, pictured above, were the high sellers with a \$30/student average and got to run the halls while the rest of the students cheered them on.

Use the slip inside the raffle pouch to request more tickets or to indicate your child is done selling. The final turn in is Feb. 10th.

This is a raffle conducted with about 80 Catholic schools and the top raffle prize is a 2023 Chevy Trax or \$20,000 in cash!!

The top student seller in the school earns a Karaoke Machine.

Junior Achievement

We were excited to have Junior Achievement (JA) volunteers in our school once again! JA volunteers shared their knowledge with our students about careers, money, owning a business, and ethics.

JA volunteers teach engaging and interactive lessons while sharing their own career journey. By sharing their personal and professional stories it allows students to start making a connection between their schoolwork and their future careers. We appreciate the time JA volunteers spend in the classroom making an impact on South Dakota's future workforce!

Thank you to our JA volunteers at St. Lambert this year:
