

Centennial Junior High Welcomes Our 2023-2024 7th Grade Class!

We have several exciting events for our incoming students and their parents:

Wednesday, Feb 1st at 7:00 PM – Incoming 7th Grade Centennial Showcase, starts promptly at 7:00 PM in the Gym. Come see what Centennial has to offer YOU! There will be performances by our Jazz Band on the track above the gym, and our choir will be singing in the hallway from 6:40-6:55. In the Gym, you will hear from our Student Officers, Elective Teachers, Counselors, Orchestra, Choir, Cheerleaders, Color Guard, and many others. You will see that there is something at Centennial Junior High for EVERYONE!

Course Selection Nights - This is when you and your parent(s) will choose your classes for the upcoming school year. Counselors and administrators will be there to help and answer questions. We will begin each session promptly. Please use the East doors. *Please be on time so you do not miss instructions. If you arrive later than the start time, you will move to a different location than your starting group. If you cannot attend your assigned time, please come to one of the other available times.* Please make every effort to attend. If you do not attend one of the assigned times, please go on-line and print off a course request form, fill it out, and drop it by the school no later than Feb 13th. After that time, the computer will assign your classes.
