

Village High School

2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Contact Information

School Name	Village High School
Street	4645 Bernal Avenue

2022-23 School Overview

Principal's Message

Village High School, which opened in 1978, serves as a "new beginning" for students in the Pleasanton Unified School District. Village offers a small and caring climate that supports student success that creates a desire for continued success. Students thrive in an environment that provides individual attention and instruction, consistency in behavioral and academic expectations, and support for each student and their unique personal needs. Village High School received the maximum six-year term on the recent accreditation review by the Western Association of Schools and Colleges in March of 2019. The campus is home to approximately 100 students who are engaged in meeting district graduation standards, as well as exploring career interests and focusing on future goals. Instruction is geared to maximize the learning experience for each individual student, and, with a class size average of 15 to 1, teachers are able to support student learning throughout the curriculum. Partnerships and career education are also an important focus at Village, as staff, parents, and students work together to achieve common goals. Village High has several programs designed to create engaged learners and provide hands-on learning experiences. The pillars of the district's character education program are embedded in both the curriculum and day-to-day activities of Village High School. Overall, academic achievement, technology as a tool for learning, character building, and career exploration are all part of the Village High School experience. Students come to Village for a variety of reasons, but they leave with a healthy respect for themselves, the staff, and the community in which they live. The student body and staff work together to continue to create a model school environment that supports student success.

Village Mission Statement:

Village High School promotes educational achievement and character development by providing students with an alternative educational program that nurtures academic and personal growth.

Village Vision Statement:

Our vision is to support our students to achieve their educational goals and character development that will allow them to become engaged lifelong learners and critical thinkers beyond the classroom.

Village Belief Statement:

At Village High School, we believe all students can learn and that it is our responsibility to give them our best so we can help each student demonstrate and celebrate growth.

2022-23 School Overview

Founding

Village High School was opened in 1978 and has served as a “new beginning” for students in Pleasanton Unified School District as an educational option. Our school has been under the leadership of Principal Heather Pereira since 2020. We have a passionate group of certificated and classified staff who ensure our students receive the best education and learning experience possible. Being an alternative/continuation school in such a high-achieving district does provide its challenges, but we continue to rely heavily on our strong word-of-mouth reputation with students, staff, and parents to maintain our positive standing in the community.

Pleasanton Community

In Pleasanton, we have a population estimated at 78,252 residents. The average household income is \$160,689 with an average home price of over \$1,000,000 (city-data.com). There are many community groups and organizations such as Pleasanton Partnerships in Education, the Pleasanton Rotary, East Bay Youth Empowerment Group, Pleasanton Schools Excellence in Education Foundation, Pleasanton Cultural Arts Commission, and others that help Village to recognize and reward the students for their outstanding achievements. Even though Pleasanton is an affluent suburban community, there is still a significant population of students whose families are in economic distress. In the 2020-21 school year, it was estimated that 18% of our students at Village qualified for free or reduced lunch. While Pleasanton’s community does have a thriving average household income, every staff member at Village is aware of and sensitive toward this significant percentage of our population.

Census Data

According to the 2020 Census, Pleasanton’s largest growing ethnic population is Asian - growing to 34.4% from 11.7% in 2000. Pleasanton’s residents are primarily White making up 56.03% of the population. The third-largest ethnicity is “Hispanic or Latino” making up 10.3% of Pleasantonians. Age, Sex, Household Size, and Level of Education have all only shifted a few percentages from 2000 to 2021.

Staff Description

Certificated Staff

Village has a very qualified group of certificated employees. Of the 16 certificated employees, all are appropriately certificated in their current positions. Of our certificated employees, 81% are male and 19% female. The ethnic breakdown of the staff is as follows: White (78%), Hispanic (6%), and Japanese (6%).

Classified Staff

Village has a very qualified group of classified employees. Of the 16 classified employees, all are appropriately placed in their current positions. Of our classified employees, 81% are female and 19% are male. The ethnic breakdown of the staff is as follows: White (62%), Chinese (8%), Filipino (8%), Asian Indian (8%), African American (8%), and “Declined to State Race” (8%).

About this School

2021-22 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 10	5
Grade 11	23
Grade 12	74
Total Enrollment	102

2021-22 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	38.2
Male	59.8
American Indian or Alaska Native	0.0
Asian	14.7
Black or African American	2.9
Filipino	2.9
Hispanic or Latino	26.5
Native Hawaiian or Pacific Islander	0.0
Two or More Races	5.9
White	47.1
English Learners	9.8
Foster Youth	1.0
Homeless	1.0
Migrant	0.0
Socioeconomically Disadvantaged	29.4
Students with Disabilities	49.0

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	8.00	63.39	572.20	89.80	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	1.40	0.22	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	2.60	20.76	57.00	8.95	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	1.90	15.69	6.40	1.02	12115.80	4.41
Unknown	0.00	0.00	0.00	0.00	18854.30	6.86
Total Teaching Positions	12.60	100.00	637.20	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown						
Total Teaching Positions						

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	
Misassignments	2.60	
Vacant Positions	0.00	
Total Teachers Without Credentials and Misassignments	2.60	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	
Local Assignment Options	1.90	
Total Out-of-Field Teachers	1.90	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

2021-22 Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	31.10	
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	1.20	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Instructional Materials

All textbooks used in the core curriculum at Village High School are currently being aligned to the California State Standards. Standards-based instructional materials are approved by the district's Board of Trustees. The district follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health.

On Tuesday, September 22, 2022, the Pleasanton Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution 2022-2023.09 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts, (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and (4) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12 inclusive.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2022-23 school year, Pleasanton Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Year and month in which the data were collected

November 2021

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy

School Facility Conditions and Planned Improvements

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Village High School's original facilities were built in 1955; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests.

Every morning before school begins, the administrator inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one evening custodian are assigned to Village High School. The day custodian is responsible for:

- Classroom cleaning
- Cafeteria setup/cleanup
- Groundskeeping
- Office area cleaning
- Restroom cleaning

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Deferred Maintenance

Village High School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems.

Facilities Inspection

The district's maintenance department inspects Village High School on an annual basis in accordance with Education Code §17592.72(c)(1). Village High School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. Some repairs were needed, a bathroom needed to be reconfigured to support students with special needs and no unsafe conditions were found. During fiscal year 2020-2021, all restrooms were fully functional and available for student use.

Bond Pass, Future Facilities

With the recent bond passing, Village and Educational Options will eventually get new facilities in the current campus footprint. This will update our school as well as provide students with additional resources.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	33	N/A	78	N/A	47
Mathematics (grades 3-8 and 11)	N/A	5	N/A	73	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	27	24	88.89	11.11	33.33

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

2021-22 Career Technical Education Programs

College & Career Readiness:

Students in grades ten through twelve receive counseling from school personnel regarding career paths and courses of study. The counselor meets at least once a year with each student to follow-up on their progress in meeting graduation requirements and career objectives. All career and technical education (CTE) courses comply with state-adopted content standards and are integrated into the student's four-year academic plan as elective courses. Village High School offers the following programs that promote leadership, develop job-related skills, provide on-the-job experience, and increase interest in school:

- Work Experience
- Regional Occupational Programs
- Career Technical Site Offerings: Culinary Arts and Skills, Farm to Fork, Catering

Individual student assessment of work readiness skills takes place through:

- End of course exams
- Completion of course-required projects
- On-the-job observation
- Classroom observation

Work experience students are partnered with local employers that provide on-the-job training and mentoring for students 16 years of age or older. Work experience students receive guidance and supervision designed to ensure maximum educational benefit from part-time job placement. For more information, students should contact the counselor.

Regional Occupational Programs (ROP) is offered in partnership with the Tri-Valley Regional Occupational Program. A variety of career technical education courses are available to help prepare high school students (16 years and older) for entry-level employment, upgrading current job skills, or obtaining more advanced levels of education.

During the 2019-2020 school year, Village High School offered the following career technical education programs as elective courses: Horticulture / Farm to Fork.

2021-22 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	57
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2021-22 Pupils Enrolled in Courses Required for UC/CSU Admission	65.45
2020-21 Graduates Who Completed All Courses Required for UC/CSU Admission	23.53

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
-------------	----------------------------------	--	---	---	-----------------------------

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Parent Involvement

Parents are encouraged to get involved by participating in a decision-making group, such as our School Site Council, attending school events, and staying actively engaged in their student's overall progress toward graduation.

Parents stay informed on upcoming events and school activities through the school's website and monthly digital newsletters. Contact the principal at (925) 426-4260 or visit our website, <http://village.pleasantonusd.net/>, for more information on how to become involved.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2019-20	School 2020-21	School 2021-22	District 2019-20	District 2020-21	District 2021-22	State 2019-20	State 2020-21	State 2021-22
Dropout Rate		7.5	9.1		0.9	2.2		8.9	7.8
Graduation Rate		72.5	79.5		97.2	96.3		84.2	87

2021-22 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2021-22 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate
All Students	44	35	79.5
Female	17	14	82.4
Male	26	20	76.9
American Indian or Alaska Native	0	0	0.0
Asian	--	--	--

Students with Disabilities	61	56	31	55.4

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	13.58	1.81	2.45
Expulsions	0.00	0.10	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
Suspensions	0.00	14.50	0.11	1.91	0.20	3.17
Expulsions	0.00	0.76	0.00	0.06	0.00	0.07

2021-22 Suspensions and Expulsions by Student Group

Student Group	Suspensions Rate	Expulsions Rate
All Students	14.50	0.76
Female	10.20	0.00
Male	17.50	1.25
American Indian or Alaska Native	0.00	0.00
Asian	14.29	0.00
Black or African American	0.00	0.00
Filipino	0.00	0.00
Hispanic or Latino	16.67	0.00
Native Hawaiian or Pacific Islander	0.00	0.00
Two or More Races	0.00	0.00
White	11.29	1.61
English Learners	8.33	0.00
Foster Youth	0.00	0.00
Homeless	0.00	0.00
Socioeconomically Disadvantaged	17.39	0.00
Students Receiving Migrant Education Services	0.00	0.00
Students with Disabilities	13.11	0.00

2022-23 School Safety Plan

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Village High School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in the Fall of 2022.

2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	9	15		
Mathematics	8	7		
Science	13	6		
Social Science	12	11	1	

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	7	15		
Mathematics	7	7		
Science	8	7		
Social Science	10	14		

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	6	14		
Mathematics	5	8		
Science	13	5		
Social Science	7	12		

2021-22 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	102

2021-22 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	1.0
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	

2020-21 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2020-21 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	18582.88	233.87	18349.00	89569.00
District	N/A	N/A	6297.00	\$97,495
Percent Difference - School Site and District	N/A	N/A	97.8	-8.5
State	N/A	N/A	\$6,594	\$88,358
Percent Difference - School Site and State	N/A	N/A	94.3	1.4

2021-22 Types of Services Funded

FY20-21

In addition to general fund state funding, Pleasanton Unified School District receives state and federal categorical funding for special programs. For the 2020-2021 school year, the district received categorical, special education, and support program funds for:

- Adult Education
- Pandemic
- Special Education
- State Lottery: Instructional Materials
- Supplemental Funding through LCFF/Local Control Accountability Plan
- Title I
- Title II
- Title III
- Title IV
- Vocational Programs

2020-21 Teacher and Administrative Salaries

This table displays the 2020-21 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$63,923	\$54,370
Mid-Range Teacher Salary	\$92,764	\$82,681
Highest Teacher Salary	\$113,726	\$106,610
Average Principal Salary (Elementary)	\$147,840	\$135,283
Average Principal Salary (Middle)	\$156,278	\$141,244
Average Principal Salary (High)	\$164,742	\$152,955
Superintendent Salary	\$317,151	\$264,367
Percent of Budget for Teacher Salaries	41%	33%
Percent of Budget for Administrative Salaries	6%	5%

2021-22 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses	0
--	---

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	0
English	0
Fine and Performing Arts	0
Foreign Language	0
Mathematics	0
Science	0
Social Science	0
Total AP Courses Offered Where there are student course enrollments of at least one student.	0

Professional Development

Staff Development

All training and curriculum development activities at Village High School revolve around the Common Core State Standards as well as School Safety. During the 2021-22 school year, Village High School held staff development devoted to:

Diversity and Equity

Response to Intervention 2 (RTI2)

Job-Embedded PD

WASC

Decisions concerning the selection of staff development activities are performed by all staff using tools such as teacher input, district benchmark results, and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Village High School supports ongoing professional growth throughout the year on minimum days. Teachers meet in both grade-level and department-level teams to conduct data analysis to identify areas of need. The teaching staff is provided the opportunity to participate in district-sponsored staff development workshops or training sessions as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

Village High School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided with targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff is encouraged to attend professional workshops and conferences. Classified support staff receives job-related training from department supervisors and district representatives.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2020-21	2021-22	2022-23
Number of school days dedicated to Staff Development and Continuous Improvement	2	3	3
