### "Impact and Outcome"

Happy Monday Families!!!

We are now in the second semester of the school year. It is very crucial that students are in school everyday and on time. Attendance plays a vital role in the academic success of each student. Parents will be contacted to discuss academic struggles their student may have to prevent them from being retained in the coming weeks. If you have any questions or concerns, please reach out to me at aringo@npfschools.org or send a message to (313) 751-8533.

Ms. Ringo  
Principal

### Instructional priorities

Reading, writing, and discussion in all content areas to provide cohesive instruction and opportunities for productive struggle.

Provide effective feedback to students that affirms what they have done well and guides them toward academic improvement and achievement of learning goals.

Study and leverage student-level data on a regular and consistent basis to identify learning opportunities and create plans to address them.

Use rubrics as tools to provide a shared language with clear guidelines and expectations to provide a measure, adjust, and evaluate learning

“

With every word we utter,  
with every action we take,  
we know our kids are  
watching us. **We as parents  
are their most important  
role models.**

 **M-Step**

We have approximately 10 weeks/77 days before Michigan's annual six-week testing season begins in April. M-Step is a high stakes assessment! Attendance, daily instruction, tutoring and intervention will be critical. Let's be focused and ready to take action everyday! The results of the various assessments can influence college admissions, teacher evaluations, and whether third-graders are promoted.
