

Farmington Junior High  
Community Council Meeting Notes  
January 24, 2023

\*Welcome - Amy Anderson

\*Ms. Tami Henderson

- Shared a Thank You letter from Mr. Jose Hernandez. With Trust lands money, Mr. Hernandez was able to attend the American Conference for Foreign Language Teachers. He felt it was amazing and very beneficial.

\*Administrative Report – Mr. Ben Hill

- Final Report on 2021-2022 plan. FJH achieved 1<sup>st</sup> and 3<sup>rd</sup> goals for the 21-22 year will continue to move forward in promoting the success of students at FJH. Also continue to have less than 3% of credit deficient students. FJH has worked hard to keep this number low.
- Will begin the work on the 2023-2024 plan. Administration will write plan and collaborate with CC on plan. This will include reviewing data, identifying critical academic needs, establishing goals, determine an action plan and the funding needed.
- New to plan this year will be a goal describing how FJH can grow inclusivity along with engaging and celebrating diversity. In addition, there will be a FJH parent asked to serve on a social and emotional learning committee at a district level.
- Administration will collect 2023-2024 funding requests from teachers for plan.
- Aspire Testing; very important to help school identify academic needs. It also provides students with a grade level ACT like test. Administration and CC are looking for ways to encourage all 9th graders at FJH to take the test. Hoping to get participation up and help students better prepare for the ACT test by having ASPIRE test experience and results.

\*Counseling Report – Damion Lether

- Thanks to everyone who participated in CCR's. Great participation with both parents and students.
- Course Request 7<sup>th</sup> grade will be February 7<sup>th</sup> and 8<sup>th</sup>
- Course Request 8<sup>th</sup> grade will be February 9<sup>th</sup> and 10<sup>th</sup>
- Counselors will be available February 16<sup>th</sup> during PTC for parents with any course request questions. It will be open house style so parents and students can just drop in.
