Please note for ordering: Several bid items that were awarded are different sizes than the original spec. (such as volume and/or package quantities). These items may affect the quantities you wish to order compared to your original Requirements Listing. Pay close attention to the details located on the Supplies Catalog and Order Document; specs are noted first and actual items awarded are in all caps following on the bottom line, which consists of the vendor's item number and any variance if applicable.

Delivery of all items is FOB destination. A minimum order quantity is recognized at \$75.00 for all orders delivered to a single destination. Order quantities that do not meet the \$75.00 minimum may be delivered FOB destination with freight (or delivery charges) allowed.

Section B for items that are not listed in Section A; see the attached instructions for Section B along with the vendor contact information.
